for painting the same one coat, but that preof the Firemen's Hall in the new Engine House be painted; that the property now in occupation by Mr Charles McSorley be placed under their control; that as several of the cedars on which the cast iron posts stood have been moved by the frost, thereby giving said posts an unsightly appearance, as well as dan-gerous for the lamplighter to venture upon, they recommended that Mr Kerr be instructed to have the cedars and posts put in order. Re-

ceived and adopted. THE OTTAWA DELEGATION. Alderman Gildersleeve handed in the report of the Select Committee composing the Ottawa delegation, as follows:

"The Select Committee appointed to confer with C. J. Brydges, Esq., Managing Director of the Grand Trunk Railway, respecting the removal of the passenger station into the city, and extending the branch line westward, beg to report as below. "Your committee proceeded to Ottawa on the 30th April, where they had an interview

with Mr Brydges, and made arrangements to meet that gentlemen here in a few days for the purpose of examining the several routes proposed, and discuss the project generally.
"Your committee waited on Sir John A. Macdonald and Hon. A. Campbell, respecting the Market Battery, which it is considered desirable to procure for a passenger station for the railway, and we are pleased to be able to report that a lease of occupation of the Battery has been promised to the city; and your committee were informed that all other arrangements with reference to the railway might be made with that understanding

"Your committee had an interview with the Deputy Minister of Marine and Fisheries respecting the appropriation made last year for lighting the city clock as a harbour beacon; also with reference to buoys for the harbour, His Worship the Mayor, H. Cunningham, to have the buoys prepared and placed where and were informed that orders had been given "Your committee were instructed to confer with the Inspector of Lighthouses, respecting reflectors for the clock, and to have them pro-

vided and the account for same, together with the account for gas, forwarded to the Department for payment "Your committee made enquiry at the Department of Public Works with reference to the appropriation made in 1872 for the improvement of the Kingston harbour, and were informed that \$4,109 had been expended last season in dredging; that no order had been given to have the work resumed this season and that if the balance of the appropriation is not expended, or the work resumed before the end of June next, the amount will not be availof the returning officer, and Mr Britton hav- learned that the sum of \$6,000 has been placed

"Your committee waited on Col. Coffin.

Ordnance Land Agent, respecting the sale of

tne "Duff" farm, and learned that the land had been surveyed and laid out in lots, and a plan of the same prepared, and that the lots would be offered for sale at auction in a few From J. B.
