A baby's boot, and a skein of wool. Faded and soiled and soft. Odd things, you say, and I doubt you're right, Round a seaman's neck this stormy night Up on the yards aloft.

Most likely it's folly; but mate, look here : When first I went to sea, A woman stood on you iar off strand, With a wedding ring on the small soft hand, Which clung so close to me.

My wife-God bless her ! the day before, She sat beside my foot : And the sunlight kissed her yellow hair, And the dainty tingers, deft and fair, Knitting a baby's boot.

The voyage was over; I came ashore: What, think you, found I there? A grave the daisies had sprinkled white. A cottage empty and dark as night, And this beside the chair :

The little boot, 'twas unfinished still; The tangled skein lay near ; But the knitter had gone away to rest, With the babe asleep on her quiet breast, Down in the churchyard drear.

LIEBIG'S Liquid Extract of Beef AND TONIC INVIGORATOR.

ESIDES the Condensed Beef prepared from 1) the best parts of the animal, the preparation contains Quinine, Peruvian Bark, and numerous herbs and roots grown for their tonic and health-giving properties. THIS IS THE ONLY CONDENSED BEEF THAT DOES NOT REQUIRE COOKING OR WARMING. It was especially manufactured under the direction of BARON VON LIEBIC, before the FRANCO-PRUSSIAN WAR, for the German soldiers. Its tonic qualities are much greater than those found in any ordinary Specific or Appetiser, and its nutritive properties are sufficient to sustain the body without the addition of solid food. It is now recommended by the Faculty in preference to anything else as the best remedy for CONSUMPTION, GENERAL DEBILITY LOSS OF APPETITE, LOWNESS OF SPIRITS, INDIGESTION, DYSPEPSIA, LASSITUDE, &c.

No article has yet been discovered that is so effective in all cases of failing health in the old or weakness in the young. This preparation is not only the best, but it is the cheapest Beef Extract offered to the public: TWO TABLESPOONFUL being sufficient THREE TIMES A DAY. Great care should be taken in purchasing

the LIQUID BEEF EXTRACT. See that the bottle contains the German Label and Certificate from Professor Wagner, of the University of Wurtzburgh, and that it is prepared by the Liebig's German Beef Extract Co., of Hamburg, as other Extract of an inferior quality have been put on the market.
