The Duilly Aews.

FRIDAY EVENING, JUNE 13.

SATISFACTORY .- The Hamilton papers? appear at last to have finished their very animated discussion on the question of but IMPOSING CEREMONIES root sugar, and have now betaken them? selves to the very encouraging subject of recommending their several candidates in the important office of Lieutenant-Governor of Ohtario. So far as we have been able judge the Spectator's recommondations of (Special Desputch to the Daily News.) Mr Williams is certainly not a bright and now going on. It is allowed on all hands to shining light, but with all due deference to be the most imposing demonstration of the born. In the morning the steamer again start we rather incline to the opinion that the carly as seven o'c'o.k people began to assem ages the flags were seen at half mast, and Charles yesterday. Leader has hit upon the right man. In the Champ de Mars, near the Cour. The Druid arrived at Montreal with Sin joke it puts forward no less a man that that large space and the surrounding street. and to end of the city, flags hung at half Brown has all along argued that Salacar came up in front of the calonnade of the pected to arrive the night before, but on John might rule the Dominion, is Court House, on Notre Dame street. The reaching Verchere, opposite the residence of Judge Burrowes presiding. will carry, and yet we refrain from naming three parts - first a raised platform, draped to gather on the revetment wall. County Court, and which has occupied the just and impartial, have been made use of as others :one before whom all the rest would similablack cloth and velvet, and trimmed with while above the wharves all eyes were some of the court for the past three days, has the medium through which to attack him .into insignificance. Our man has claims to be silver, the valances and the cloths covering anxiously bent upon the river. There was continued this morning. After the examina- Ottowa Times, upon the office which could not be gainsaid. he wheels are plain black; the second par al in Notre Dame street and Jacques Cartier which lasted until I o'clock to-day. A settlepreciated, and therefore it would only be bove was a dome flanked with tripled black from Line o'clock the French Actillary presented from the big Englishman, weighing nearly 300 Medoc, Marganx, Grape, &c. were we to trot out our man. He can afford to wait too, and that is an argument in hi favour. He has been waiting for somothic a very long time, and has now become use to the "hope deferred that maketh the hear More we will not venture to say.

credit of the Reform press, we are glad that of the house windows. It took nearly an house the narrow tomb contains all that was more to get the immense procession in line accord wound along the river road as far as the ey.
