and for myself, though not unfavourable to job ever perpetrated in the British Empire. chester, who, on Friday last, while riding Americans being introduced, I always Let the truth be known, no matter who suf- with Lord Granville to visit Mr Gladstone, yield points which they desired to press. The Government honestly tried to obtain an amalgamation between the two Canadian "F. HINCKS,"

## STILL ANOTHER DENIAL

the Canadian Pacific Railway Company, the fiat of G. W. McMullen. Listen to the The following is the full score: owes me nothing and never did owe-me I then requested him to do one of two anything; that I have never received direct- things-either to allow our original arly or indirectly from Sir Hugh Allan or leave Sir Hugh out of the Government from any one on his behalf the said sum of Company, since we did not propose to be a \$6,000, or any other sum, or any promise of stepping-stone for his personal advanceany sum of money; that when I went to Ot- | ment. tawa in 1872 during the session of the Federal There is cheek and confidence for one of any other sum for the services which I know. rendered to that Company as one of the directors or otherwise.

(Signed.) Montreal, July 19. The proprietors of in his life are not regarded by him as the Minerve having been accused by Mc- | worthy of being regarded. But, as if he Mullen of receiving \$4,000 from Sir Hugh | had not get enough, or saw some faint hope Allan, published an affidavit yesterday, of even yet feathering his nest, he again resworn before J. B. Rolland, J. P., in which turned to Ottawa on January 23rd. last they totally deny the charge. The editors past, and this time brought copies of all the also publish a similar affidavit. -- Mail.

## The Beginning of the End.

We are authorized by the members of the Government referred to in the commuday last, to state that, in so far as any part on those communications or of the documents published with them tends or purports to l implicate any member of the Government in any agreement, promise, or understanding to grant or to further the granting of to Sir Hugh Allan himself.

The Government feels that the little game of the Opposition has gone far enough, and they are determined to put a stop to it.

The manufacturers of false evidence in This they can easily do. This would all the manufacturers of the globe, This they can easily do. This would all the manufacturers of the globe, This they can easily do. This would all the manufacturers of the globe, This they can easily do. This would all the manufacturers of the globe, This they can easily do. This would all the manufacturers of the globe, This they can easily do. This would all the manufacturers of the globe, This they can easily do. This would all the manufacturers of the globe, through the exquisite court of the Alhambra, now down—now crushed, now upstairs, them. He tried his hand on the Gazette, dence being laid before them, there was but was met by a denial by four men, two much to convict Sir Hugh Allan, and of whom at least are credible witnesses. nothing to touch Sir John A Macdonald. Just as soon as they saw McMullen convict- But Sir Hugh was not their object. ed of one lie, they bring him forward again, They did not care a straw for him, Strange, P.M.)—The business before the court labeters stalking salemuly shout the mitter of this city the minds of the public. We have no limit bribe and welcome, but as was small this morning. Charles Hutcheson, light bribe and welcome, but as shortly. Our readers will remember the prothe minds of the public. We have no doubt these men are at their wits end. It game of cheking the investigation.

The might bribe and welcome, but as small this morning. Charles flutcheson, a young lad, was charged with stealing a bag, but the owner not wishing to press the charge cells and the fish swimming with all the happing during the troubles in the North-West. He SHADED SILKS have doubt these men are at their wits end.

The game they are playing is for a high and producing the evidence just in such a form as would heat and the infamous do.

Sir Joan was clear then came the rascally game of choking the investigation, and producing the evidence just in such a form as would heat and the infamous do.

Sir Joan was clear then came the rascally game of choking the investigation, and producing the evidence just in such a with assaulting a little girl on the face with a with assaulting a little girl on the face with a with assaulting a little girl on the face with a with assaulting a little girl on the face with a strated in vain to spare poor Scott's life, by will not stick at anything, and the only correspondence, and bribing a poor devil One or two summenses completed the busihoped to get out of this. They knew their selves as far down in the scale of 

terms in which the members of the Governthen under the manipulations of a The Steamer Midge. — This neat little The enthusiasm of that vast audience of 35,000 Islaming the state of the collarior. ment deny all ebligations made against junta of immaculates, he tells something boat, which has for some years ran between has never been surpassed, all the galleries and them. Nothing can be plainer or more that the word of that he knows, and a great deal that he Gananoque and Clayten, has been sold to Capt were crowded: the floor was thronged, every explicit, and we are sure that the word of does not. He may rest assured that his Georeberry to run between Beauharnois and space packed: and the whole interior of the Palace of Glass was rippled over with cloude ments, hazy at best, of one who has proved have him in hand appreciate him at his fall himself an adept at making money by selling value, and when they have pumped him decuments he got in confidence. When these disclosures first began we saw at once worthless and information an such a trial as would convince the public a shame to a family hitherte henoured and that the Government was innecent, and we respected.

FOR MONETARY CONSIDERATIONS was third son of the celebrated philantrothat wilderness of bricks and mortar which the rockets, the balloons, &c, were superior regret to announce the death of the wife of the wife of the world.
