PARLIAMENT. In somewhat modified language, the Glo again reiterates its remonstrance against the mity of clearing their characters before the at-Governor-General proroguing Parliament rival of a court of competent jurisdiction. The on the 13th prox. Upon Friday last its Government is in that position, and it is not ravings found expression in these words :--"We have only further to ask the Gover- proved to be guilty. The Government most nor-General whether he thinks it decent, properly have contented themselves with with such charges placed before the public, denying the charge, and have promised that to disperse the grand Conneil of the nation at the earliest possible moment steps shall be constitutionally assembled, and actually by taken for the institution of a thorough and the exercise of his prerogative to prevent it searching enquiry. The country will be confrom pronouncing upon this shameful scan- tented with nothing less. Until the still exdal, or even to make arrangements to probe listing Committee of the House of Commons in it to its fullest depth? We cannot believe functus officio, no other Court of Enquiry can that any one worthy of the name of nobleman or representative of the British Severeign will thus stand between guilty men and Layer Raisins for 25 cents; 26 liss. Prunes | their just and appropriate punishment." We took occasion to comment upon this Blake's expression, to be members both of the

> philippic in a lower key ;--"Parliament was adjourned, and not pro- nominated by the House; and if the House regued, in order that the enquiry by the can in any way relieve the pretended scruples Committee might be carried on; the enquiry of Messieurs Dorion and Blake, we presume has been stopped, and the design of the those gentlemen would withdraw their refusal meeting of the House on the 13th of August will be frustrated if the Governor-General is brought down to prevent discussion, and send members away immediately after their send members away immediately after their Until the enquiry has been made, and the eviarrival. At all hazards this must be predence taken for submission to the House, there vented. We see no other effective step is absolutely nothing for the House to do. I which can be taken, save to send petitions | cannot debate the evidence till the evidence is to the Governor-General, respectfully pray- on the table. Perhaps a little calm reflection ing him to permit the Grand Council of the | will convince the Globe scribe - Parliamentanation to give its decision upon the Pacific | rians want no convincing—that there was no Railway Charter, and the manner in which | need for deliberately insulting the Governorit was obtained." General, and that there cannot be a more than

It seems late in the day to have to point formal meeting of the Honse on the 13th Au-

out that on the floor of Parliament no en- debate without the Pacific members would be quiry can take place. And, except it be a farce, and the only dignified course open to based on previous enquiry, what decision the Government is to allow no debate of any can be given? Parliament has the power sort .-- Mail. to nominate select committees chosen from amongst its members, and it does so in cases where such an investigation as this into the negotiations respecting the Pacific Charter has to be made. A Court of enquiry, composed of two hundred members, Government, "for they are implicated in the charge, and have acted in violation of

of the evidence had been published before the enquiry was complete, and expressed the

hope that Parliament would take steps to vindicate its dignity, if any such glaring case of contempt was attempted in future. Coulthurst and McPhie's wharf-Barges to report to the House on the 13th August. pecting would then be handed to the barges-Staghound, 10,400 bush corn, and chief spokesman, were especially anxious that the Committee should be vested with Notice. with a general cargo. The tug Wren coaled this solemnity to bear on its proceedings. N.B.—Parties requiring CHAMPAGNES She is a very handsome boat, and has capacity for 11,500 bush.

What importance the removal and a declaration is abundantly apparent from the contradictions already published. The as unequivocal and deliberate as are the contradictions of the nine. Individually they cannot, as private persons can, come forward with Port Colborne, July 24.—Up—Schrs. W. explanations and denials. Awaiting judicial enquiry, they content themselves with giving the lie to McMullen's statements. And a very large majority of the people of this country are content to wait for explanations at the proper necessary, we admit, for George Brown, accused of getting \$50,000 stock in the road, at once to print his name to a disclaimer, for what it is worth. Folks who have a better record can afford to wait. Not that Mr Brown has ever yet volunteered an explanation of the suggestive sentence, "WEAREALL RIGHT WITH "THE GLOBE." Ordinary persons held under a criminal accusation are denied an opportuyet an absolute fiction of British justice that be empanelled. It may be said that the attempt the Government made three weeks ago to issue a Royal Commission rebuts this position; but it must be borne in mind that most unjustifiable language; and yesterday | Committee and the proposed Commission. The accordingly the Grit paper pitched its most satisfactory thing would still be the conducting of the enquiry by the five gentlemen

> EXTRAVAGANCE. It is amusing and astounding to notice how the chief Grit organ, especially, blows het and cold in the same breath. It accuses Sir John A. and his colleagues at Ottawa with the most shameful extravagance, and at the same time judges, jurors, witnesses, advocates and ex- vindicates the most reckless and outrageous complicate matters, and it is therefore usual jobs that have been done by McKellar, Scott to delegate to a few the task of taking evi- & Co. are represented as being praiseworthy. dence and making a report thereon. This course was adopted in the Pacific case. The throwing away of the people's money by removing the model farm to Guelph. The That the labours of the committee have reckless expenditure of fitting up most sumpborne so little fruit up to this time is solely | tuously Grit offices and rooms. The squandue and attributable to the perverse refusal dering away of 5,000 square miles of our pine of Messieurs Blake and Dorion to act on a lands. The raising of our annual expenditure Royal Commission. Mr Blake, in his letter some seventy per cent. All this the Globe of refusal, ventures to say that "it would The careful and patriotic economy of Sir John be of evil consequence to create the prece- A. Macdonald and his co-Ministers, though of inquiry into matters of charge against be ashamed of as the squandering of immense itself." His excuse that the members portions of our pine lands, is denounced unof the committee would be under the ceasingly by the Globe as immoral prodigality.
>
> control of the Government can have im- If the organ would maintain silence in referposed upon nobody. It is more likely that ence to the outlay of the Ottawa Government there would at least be consistency in its rasthe chief witness in the case, and feared his testimony being sifted under the ordeal of an oath! His fear of creating a bad precedent might have easily been allayed. Bad or good there was a precedent. In the great Ceylon case, some twelve years ago, the Crite to try to make the desired be consistency in its rascality, but to condemn the one and praise the other is abominable. No greater hypocrisy was ever seen than this conduct towards the two cabinets. Every one knows that the Ottawa Government is most careful in its outlays, and the Ontario just the reverse. For the Original Condemn the one and praise the other is abominable. great Ceylon case, some twelve years ago, the British House of Commons had made an exact precedent. The conduct of Lord that black is white. The difference in the Torrington, as Governor of Ceylon, was two Governments is in their eyes, chiefly that the primary reason of that famous inquiry. | the one is Grit and the other Conservative, But Lord John Russell said that the real therefore they can see nothing but what is object of the Committee was to censure good in the one and nothing but what is bad the Government; and Mr Hume, the ac- in the other. The country at large, however, cuser, said he was indisposed to leave any- will judge each party not so much by its polithing connected with the subject to the tical name as by its actual performance.

> Thereshas been some trouble between the all the principles that should have regulated | High and Low Church parties in the Episcotheir conduct." So far then the cases are pal Church at Moncton, N.B. On Sunday parallel; but that is not all. After mak- last the Rev.
