THE PACIFIC RAILWAY MATTER. The second batch of documentary evily that I never made dence is a letter from McMullen, to place any agreement, or came whose testimony before the public through to any understanding the Committee, the Opposition members of of any kind or descripthhat Committee refused to agree to the witnesses being sworn-a most suspicious fact, bers as to the payment telling strongly against McMullen's credibiof any sum of money to lity, and correborating the public opinion any one or in any way formed of him, from the black-mailing whatever in considera- course he pursued with the copies of letters tion of receiving the in his possession, the originals of which he contract for the Cana had given up, on payment to him of a sum of money by Sir Hugh Allan. He further, it appears, went to the Government and of-"I solemuly declare ferred them all these letters and documents Hincks received an that I never asked and for money, but the Government refused to 'indefinite loan" of never obtained, either have anything to do with him-a strong \$10,000 from Sir H. by loan or gift, any point in their favour and against him. But Allan, and was privy sum of money from Sir still, his testimony may be good. He gives a lingh Allan, or from his recollections of certain communications verbal and written, which passed between him and members of the Cabinet, the upshot with the l'acific Rail of which was (according to McMullen) that I further the Government agreed to give the Railway state most positively Charter, for money to be expended on the

that the Government elections. Mr Langevin was to receive never entered into any \$25,000 to aid the Quebec elections -a comagreement to give the inittee of five was formed, the money was forwarded, and \$343,000 spent, in one way and another, to secure the Charter. Mc-Mullen's unsupported testimony is not worth the paper it is written on. A man who would betray the confidence reposed in him, White, of the Mon- negotiation with you and hawk around letters of a private and confidential character written to himselfseeking where he might find the highest bidder, is devoid of all that makes a man a creditable witness. He feels this himself, pecuniary or other re- and consequently requests Hon. Mr Foster muneration for any as--a man, so far as we can learn, of a very sistance you rendered different stamp to himself-to corroborate through your paper to his (McMullen's) assertions. It is evident, those enterprises; nor therefore, that Foster's statements are the did you ever directly ones to be studied. In the Chronicle's veror indirectly propose sion of the confirmatory statement made by Mr Foster, we find Foster repudiating all knowledge of those meetings with members "I am positive that of the Government detailed by Mr McMul-..... He says, "I know nothingabout them." Cut be does say, in respect to that part of the charges which affects the public characfor and position of the Cabinet: "In report of the Northern you with a view of se- gard to the payment of money for election Colonization Railway curing any particular purposes, I was informed of the arrangeline of action on your ment with Cartier. I was also shown a conpart toward the North- firmatory telegram from Macdonald. ern Colonization Rail- understand the affair to be substantially as you have related, and have reason to believe that large sums of money were ex-"The undersigned, pended for election purposes under the arwas bribed by Sir H. two of the proprietors rangement." This is guarded language. He

of La Minerve (their can only say he "has reason to believe," colleague, M. Arthur which is very different from actual know-Danscreau, being ab- ledge. Undoubtedly if this man were put sent at Quebec) declare on his oath, he would be unable to swear that this journal has that the telegram purporting to come from of money from Sir Hugh Sir John was a bona fide one, and not a for-Allan, or from any agent gery. He, certainly stretching all he can to of his, nor has any serve his friend, only says he has reason to promise ever been made believe, &c. This is not direct, positive to it, nor has it ever proof, and hence, just in the essential point, supported him for mo- the witness breaks down. McMullen is not netary considerations. to be believed, even on his oath, and Fos-L. N. Duvernay. ter's testimony amounts to this, that he has "L. D. DUVERNAY. | heard a good deal about this matter-in "Sworn before me at fact, knew all about the subject in its gene-Montreal this 18th ral bearings, but cannot and will not aver day of July, 1873. that, beyond all question, money was ob-"J. B. ROLLAND, J. P." tained by the Government Party from American speculators, and spent in electionsthe value received by the Americans being the Railway Charter. Knowing everything Allan for services Railway Company, that rendered at Ottawa. it never solicited my tions, he knows nothing positive about this

in the interest of the telegrams and letters of a similar sort would Northern Colonization be forthcoming. It is a grave accusation to Railway, of which I am aver that bribery is committed by this one was no question at that or that one. But every man not a fool time or before or since knows that as a matter of fact, money is in respect of the sum spent, and spent lavishly, on both sides. It of \$6,000, or of any is a pity it is so; but it is, and neither side other sum for the ser- of any party in any country can, being vices which I rendered without sin, throw the first stone. All that to that Company, as these telegrams prove is, that money was one of the directors or wanted just as it had been wanted in every election for fifty years past, and that the central committee did its work in provid-7. That the drafts "The agreement reling the money just as central committees drawn by Sir George ferred to by the late have done time out of mind. But there is Cartier and Sir John Sir George Cartier, in nothing to connect Sir John A. with the Macdonald were the published letter of charge of having knowingly and wilfully drawn in accordance the 24th of August arranged to obtain money from Americans with a corrupt agree- last, was an arrange- in return for the Railway charter.
