SATURDAY EVENING, AUGUST ?

The Doctor's Niece.

Of all the comfortable rooms in Dr. John but worshipped."

Stella listened with a still, white face, The deep-cushioned arm-chairs, the heavy and her eyes fixed on the floor. walnut bookcases, the soft thick carpet and warm crimson curtains, and the low grate, hansted with privations end exposure; but always ruddy in winter cold, united to he was young, and I hoped for the best. I make it a tempting spot for quiet hours of thought and study. The doctor himself lower floor, and sent him a nurse I could did not much frequent it—being a middle- trust. Every care, every comfort was preaged man, with a large practice, quiet reading hours were a luxury he rarely enjoyed.

But the room was a favourite with Stella, or the trembling kiss that removed it;

say, when speaking of his only brother and far above him, the whispering love he dared Here, on a cold December day, half buried in a deep, crimson-lined chair, Stella pitifully to die, knowing his love so hopeless; sometimes he urged his pride to come and aid him. He was poor; Stella, his oyes fixed upon a portrait over the fire- star, was rich, and he could never tell her place, and her thoughts buried in a day- of his worship. There came a day when dream. The portrait, smiling down upon the fever left him, and his mind was once her, had been a birthday gift to her uncle, more rational. He was very weak; but and was a life-like copy of her own perfect he knew me, and trusted me as a friend in face, and tall, slender figure. The soft his utter want and illness. Slowly, step brown eyes and golden-tinted brown hair were faithfully re-produced; but the portrait had an appearance of calm pride that was had an appearance of calm pride that was may entirely recover. "But"—and here altogether wanting in the face looking up the doctor fixed his keen eyes upon Stella's to it. The "dear five hundred" friends in downcast face—"the hopeless love holds society had pronounced the likeness absolutely perfect, and upon Miss Mortimer's his goddess; but now he looks mournfully desk was more than one order for the artist upon his canvas, and drops the brush from to test his skill upon other faces as fair. his nerveless fingers. When such a man as But society knew the heiress only as cold, haughty, and unapproachable. The face that looked pale against the dark chair had no pride, no coldness in it. In the large three t brown eyes was a mist of hushed tears; whisperied.

"No. It is only to me you will tell
"No. It is only to me you will tell a grieved child; and in the heart of the fair your secret, if you have one. Yet, if you girl was the unspeken sorrow of a strong, deep love that seemed given where there was no response. Woeers had come and life-destroying apathy, I tell you, Stella, it will be a noble, maidenly act. He will Pianos, Organs and Melodeons. gone since Stella had been "brought out;" never woo the heiress unless he knows he has wen the woman's heart." TATE ALWAYS keep on hand ORGANS Henry Wayne, a young unknown artist, "Go to him, then, and tell him it has and MELODEONS of the best Canadian make, and have now in stock some ex. He was the orphan son of an old friend of frankly and bravely. "I trust it all to you cellent ENGLISH UPRIGHT PIANOS (made by Broadwood, Chapell, &c.,) to which we invite attention.

A superior "STEINWAY" for sale on reading and beauty of the said. So Henry Wayne had established to superior to give the young fellow a start, Stella," he had said. So Henry Wayne had established to superior to give the young fellow a start, Stella," The doctor bent over the drooping here.

A superior "STEINWAY" for sale on reasonable terms. Also a few Pianos to rent.

We feel confident that our own Instruments will continue to sustain their well-earned will continue to sustain their well-earned to reasonable terms. Also a few Pianos to rent.

We feel confident that our own Instruments will continue to sustain their well-earned lished his easel in the cozy library; and the say, in a lew tender voice, "I have never loved and honoured you, Stella, as I come to play propriety, and the portrait level love and homour you this day."

There was a moment of deep silence bethe handsome young artist, with his great, fore Stella spoke again. black, soul-lit eyes, and his low-toned Stella listened, and found no common. her desk, "there are orders here for porplace compliments, no comments upon the last ball, or the next fete, but a mind broad mine was finished. Mrs Cosmer wants one and deep, full of great, noble thoughts, of grand aspirations, a brain stored with well-chosen reading, and a memory where travel and observation had left pictures of rare beauty. Mrs Cosmer wants one of herself and her sisters; Lady Willoughby wants her daughter's; Captain Blake, his wife's; and there are still more promised. I told them all mine was to be two hundred beauty. Mrs Cosmer yawned sometimes; guineas, and they expect to pay the same. but Stella only signed when the sitting was Will you settle for mine, and take charge over, and hoped for the next one. She had of these notes?"

dress and wild roses in which she was "Of course, one does not care to be a On hand a Large Stock of BLACK SILKS | perfect fright in a picture," she said to herself, when she took of her chignon, and

But, one morning, Henry Wayne rose from his seat, white as death, and announced his task completed. Mrs Cosmer struck attitudes of admirational forms of the walls of the drawing-room? and the fair, proud face was much admired.

But there was still a hope. The painting was not paid for and Uncle John She was very beautiful in her rich dress, must be made to understand the artist with dead gold ornaments; but many would still be a welcome guest in their noticed the warm flush upon her cheek, ed, and hung up in the library. Orders were left for the artist with Stella. The weeks were away, one after another, and the artist never returned. Dr Mortimer, after a reasonable delay, undertook to hunt him up, and failed. He had left the house. him up, and failed. He had left the house

where he had lodged, and no one knew his whereabouts. When he seemed absolutely lost, Stella coming. How glad she is to see him !" memory of happy hours and deep sorrow, she thought of the face taken out from her all her ewn, when the musical voice wished life, of the voice she might never here again and her eyes were luminous with tears as

she mused. Upon her sad reverie came a step and a | body measured seven feet four inches in voice familiar and dearly beloved, and she length. sprang from her seat to welcome her uncle. "Stella," he said, drawing her down be- city of the above circus yesterday morning was
