Correspondence. A RETROSPECT AND A COMPARISON. TO THE EDITOR OF THE DAILY NEWS.

Sir,—In viewing this great uproar made by to James Beaty, M.P., of the Leader, and Sir,—The writer of this has been a Reformer the Globe, as it regards this great Pacific scan- George Brown, of the Globe, for twenty-nine ERATION—as the Globe is merely the organ or ERATION—as the Globe is merely the organ or ronto, and the whole of Canada. nucleus for Brown-Blake, Mackenzie, Hun- From the day that George Brown became a go, all those opposed to British rule, and of-fice-seekers to cling to and send forth their effusions) I was led to take a retrespective effusions), I was led to take a retrospective robbers of the public funds. He was a prowhen the Grand Trunk Railway of Canada was being built. The same cry of bribery and corruption was raised than against Six Francisco. Francis Hincks had sold us and ruined our he abuse, until he had very few to stand up country. The facts connected with that great | for his views. He got a class of Chancery lawsell I will briefly state to show the base and unjustifiable course pursued by the Brownites of that day which we have avoir recent to be of that day, which we have every reason to be- ton. In this their first public appearance they nieve will turn out to be as unjustifiable as the were unsuccessful. Mr Howland was elected Mackenzie, Huntington, Yankee McMullen was taught constitutional politics by G. B. and hangers on). Hincks concocted the build- | tle Brigade. Wringer ing of the road, and went home to raise funds to build it. The influence of the Globe had so not known as a Reformer for loss as a religi shaken the credit of our country, or confidence cian, even to himself or his neighbours. Mr in the Reform Government of Canada, no Brown wrote him up in the Globe as being a money could be obtained from the Home Gov- great financier, and he was chosen by the Goernment to build it, consequently Hincks sought out British capitalists, showed them done to every one who dared to differ from the great thoroughfare it must open up for him. The result of this persecution was that the far west, and they at once decided to ex. Mr Howland was appointed the first Lieuten. tend their enterprises to Canada, and spend ant-Governor for Ontario. their capital amongst us. Hincks to show Railways were commenced, the Ministry and them he was sincere in his statements as to the all the leading men of the country who had outlay, voted them £2,000 per mile as a loan, other public works, have been held up as vile to be drawn upon this condition, when they men who were robbing the country, by George spent two thousand pounds they were to draw Brown and the Globe. one from us, and give us the first mortgage on the road, which was agreed of abuse is to be inquired into. If Sir John Surely it is high time this kind of abuse was to, and contracts entered into according. A. Macdonald had been like most of them he ly, and the building of the road commenced, would have been in his grave long ago.

but the Globe kept up its fame, bribery and he has had a mind that lived above the abuse corruption had to be branded upon Sir Francis disposition of the man who was vilifying Hincks—he had given as much as would build him, and the end he had in view by so dothe whole road and was a bought tool of the ing, namely, that he wants to get his party. After a little it was further discovered place. This, it is to be hoped, is in the far there was fifty thousand pounds Grand Trunk distance. stock in the hands of Sir Francis. This was an awful mountain of corruption—here the before a fair frial; but this has not been the sell was praised, and Sir Francis held up as the greatest traitor Canada ever had—now the ment and Sir Hugh Allan long before Mr Hunthing was complete—corruption in the most | tington made his charges in the House, at the hideous form was found in high places-worse last elections, this charge was told to the John. Sir Francis explained, the stock was those men who were favourable to the Govmerely consigned to him by the Directors, enument. Although I am a Reformer, I have which was sworn to by them, to dispose of to always admired Sir John A. Macdonald, as be-Canadian capitalists who might think them- ing a clever man and the best constitutional selves slighted in this great enterprise, but all prosperity at heart, and a gentleman who wished to do justice to all parties. Yes, and placed upon Sir Francis by many an honest he has done so in times past even to those who man by Brownites deceptions. Now, suppos. were his enemies. ing this stock had been a gift to Sir Francis for forty-five years. His good father was the by the company? where the sell? where the first merchant who sold me wheat in Greenock, injustice to Canada? No better bargain for and up to this time I have never known any. Canada was ever made, and no better security but have known all of them as being men who
