The vin ordinaire is giving out. It has already risen nearly 60 per cent in price. This is a very serious thing for the poor, who not only drink it, but warm and make with bread a soup of it. Yesterday I had a slice of Pollux for dinner. Pollux and his brother Castor are two elephants, which have been killed. It was tough, coarse and oily, and do not recommend English families to eat elephant as long as they can get beef or muting to want of fuel. Ther are recommend- lowing members were present :- Messrs Brited to use lamps; but although French cooks ton, Carroll, Chown, Conley, Dr. Oliver, Wm. can do wonders with very poor materials, when they are called upon to cook an ele_ Ford, jr., G.
