MONDAY EVENING, MARCH 27. SEE LAST PAGE.

the San Domingo annexation scheme, which them both off or not. He estimated his cently polished off. It is the one affected by their short stay; and it was possible to speak printed before delivery, and which is of stagship to deal leniently with the prisoners reader, Parisian French; but it is the language a Hessian soldier engaged in a very agreeable. gering length, occupying fourteen newspaper columns. Debate and oratory of the true Parliamentary kind cannot be encouraged under such a system as this. Most men when they put their thoughts to writing assume a terseness and brevity which they do not attain when the thoughts are spoken as they suggest themselves; but Senator Sumner's habit is not trained to that end. He evidently writes that he may amplify, and considers that he may adorn with rhetorical flourish. He will of course deliver his income was not sufficient to permit him to Under the Imperial regime the Government disspeech in his place in the Senate; but at pay a tax without seriously feeling it, and patches to ambassadors and prefects consisted Washington this is not always the case with it would be the last tax that he would pay word.
