A PASTORAL LETTER ON EXTRAVA.

The recent pastoral letter from Archbishop Manning on the due observance of Len' though addressed to the Roman Catholics o England, is broad enough in its application to be, considered respectively by Oatholics and Protestants. This letter warned those to whom was addressed against considering too close.
y the sins of those in other countries on whom Trains arrive and depart from the Kingston distresses and misfortunes had fallen, but to look at home. England's chief sin, the Archbishop said, was the "pride of life." No other people possessed such vanity and self assuyoung, either through mistaken ideas of hospi. | lar a year. tality or prescribing it as a medicine, without proper consideration of the subject's character, tastes or habits.

In regard to the extravagance of the dresses paper. of women, the Archbishop inveighs rather se\_ verely, while he thinks that since the last century men have improved in their ideas upon the occupy a neutral ground, identifying itself mal virus. costly, ostentatious singular, even to absurdities, but be independent and non-partizan | One gallon makes 200 to 800 gallons adapted |
