A Southern paper relates a laughable incident connected with the visit of the joint high commission to Harper's Ferry. The presence of the distinguished party attracted a large number of citizens anxious to obtain a peep at the titled visitors, and among them was a pompous old gentleman somewhat noted for his venerable apparence, fluency of speech and strict conservative principles, who was conspicuous in his endeavours to make himself agree_ able. Attaching himself specially to a gentlebusiness is improving. The city is man who was evidently one of the most prominent of the party, he took occasion to remark in oratorical tones: "I am happy to see you. gentlemen of England. As an American citizen I came to pay my respects to you; but I want nothing to do with those d-d Yankees with whom you are associated." The gentleman addressed, and those of the visitors within hearing, appeared to enjoy the remark bugely; but the old gentleman himself was intensely June 18, evening.—The troops disgusted when he was informed that he had

A splendid illustration of Mr Darwin's theory has turned up in Vienna. There is a girl there, aged thirteen, a native of Falermo, mided through special invitation Theresa Gamberdella, who is literally covered here was a grand display of gorge- with hair so thickly that the Vienna papers may the high military authorities pronounced her skin more like fur than anything else. The famous Julia Pastrana is dedeficers occupied the pit, and the scribed as perfectly smooth compared with the FARM FOR II in corps the proscenium boxes new claimant to celebrity, whose hairy covermyoccupied the front row, and none ing extends from head to foot, even the fore-THE RAST HALF of Lot & mids of honour the second tier. been invariably found bare—being entirely HENDERSON'S, cession, Township of time them and suite entered at eight overgrown. The head closely resembles that of 100 ACRES. I suid perfect silence. The Emperor a monkey, and several abnormities in the build of the body still further complete the resem-Title direct from the Crown | howed formally thrice. The blance. We do not hear whether the young Part of the Farm is under the blucess, charmingly dressed in pale lady is graced with a tail, but the shape of her traing a tiars of diamonds, was jaws and teeth, the pliability of her tongue which she can roll up completely in her mouth the right of the Emperor. Then a __her excellent appetite, her restlessness, etc., m formed behind them by the strikingly remind one of the agile and amusing In Princesses. The Imperial box animals in the Zoological Gardens. Signorina with other Princes Imperial, Correspond with her prepossessing exterior. She ugnificent spectacle. A prologue is a great tavourite with the public, medical in by Frau'ein Erhardt in pane and otherwise, and appears to have achieved a Inderick William the Third. An conquest over the photographers, who are quarrelling for the honour of taking her like.

The Colorado River, and the portions of lits conclusion the Emperor left Wyoming, Colorado, Arizona and Nevada a monologue was given of the which it traverses, are as yet unknown wilds to Barbarossa, which was illustrat- the general public. Major Powell, who exvivants, and closed with the plored the Grand Colorado canon a year or two the Emperor on horseback, dition, in which he proposes to follow the river the audience rose and shouted from its fountainhead to its mouth and unlock amid the waving of helmets the mysterious secret of its course.
