WEDNESDAY EVENING, JULY

THE PEMBROKE BONUS.

ANOTHER VICTORY FOR THE RAILWAY. The town of Pembroke has gloriously redeemed its pledge in passing the \$50,000 bonus to the Kingston and Pembroke railway. The vote was taken on the 4th instant. Sixty of the rate payers voting in favour of it and only one against it.

The London Times has been denouncing every soldier, carried a map in his pocket, appears to the eye of a bird as it does to that sent. and knew as much about roads, rivers, fords and bridle paths as the natives of the country themselves. Not one liberally educated Englishman in a hundred knows as much of the topography of Great Britain as these tough, fighting Germans knew of that of who executed and exhibited them. We hope France. The trouble is, says the Times, that that the present is the last exxhibit that will in England all primary education is a "cram- be made in Kingston of these miserable disfor the university curriculum are grossly ignorant of geographical science, and the Times urges as a remedy the adoption of a compulsory entrance examination, which shall include this as a sine qua non.
