JAMES NEISH, Princess Street, Kingston.

THIS elegant Turkish Tonic is one of the most salutary and delicate preparations emisphere, and asserts its pretensions to natronage on the following grounds: That it is a preparation of one of the most aminent Purveyors to the Ottoman Court, It prevents acidity of the stomach.

It relieves lowness of spirits. It is a mild and invigorating tonic, and a most efficient but innocuous stimulant. It renders the breath sweet and agreeable.

It stimulates the appetite if taken before It promotes digestion if taken after meals. It neutralizes the propensity for strong

It renders the intellect bright and clear. If taken habitually it imparts vitality and energy to all the bodily organs. By its use a man of 70 will become, as i were, restored to the elasticity of 30; and to persons of delicate constitutions it is strongly It is an especial favourite with Oriental
