A By--Law.

ToProvide for taking Stock in the Wolfe Island Railway and Canal Company.

W. HEREAS it is desirable and expedient for the Municipality of the United Counties of Frantenac, Lennox and Addington to contract a Debt or Loan, by subscribing for Steck, to the amount of one Thousand Pounds, in the Stock of "The Wolfe Island Railway and Canal Company," for the purpose of assisting and etabling the said Company in construct a Caust across Wolfe L.land, by which the City of Kingston will be brought tuto d rect communica ion with the Rime and Cape V neent Railtoud, in the State of New York, and the general interests of these Cours

ties thereby greatly promoted. And whereas, in order to liquidate the said .. I debt or loan, so to be created or contracted, he well kno n Stage House, in the Village | cr ber in Monday the 15th instant, at 12 | and the interest thereon, it is necessary that a special rate, over and above and in addition to all other rates, for the payment of said debt or togo and interests within the time limited 59 by the provisions of this By-Law, should be tevied annually (according to-taw.) on the rateable property of the said Municipality; which said amount, to be raised annually, will amount in each of the years, 1852, 1853, 1851 and 1855, to sixty pounds; in the year 1856 to two hundred and sixty pounds; in the WESTERN RAILROAD. year 1857 to two hundred and forty-right pounds; in the year 1858 to two hundred and thirty-six pounds; in the year 1859 to two hundred and twenty-four pounds; and in the 1860 to two hundred and twelve

And whereas the whole rateable property of the said Municipality, according to the of the GREAT WESTERN RAIL- | cettained,) to the sum of One Million Five Hu. died and Seventy Thousand Pounds.

And whereas, as a special rate of the payment of the said debt or loan, and the int rest there on as aforesaid, the following annual rate in the pound upon the said rateable pro-57 perty, for the said respective years, namely for each of the years 1852, 1853, 1854 and 1855, the sum of one one-hundred and tenth part of a penny in the pound : for the year 1856 the sum of one-twenty-fifth part of a penny in the pound; for the year 1857 the sum of ene-twenty-sixth part of a pemy in I they are now receiving daily, via the pound; for the year 1858 the sum of onetwenty-sevenith pat of a penny in the pound; for the year 1859 the sum of one-twentyninth part of a penny in the pound; and for the year 1860 the sum of one-thirte h part of a penny in the jound will be required to meet the payment of the said debt and inter-

es in each year as it shall be due. Be it the efore enacted by the Monicipal Council of the United Counties of Frontenac,

Loung x and Adding o. 1. It at the Werden of these United Counties do subscribe to the St ck of the Wolfe Island Railway and Canal Company, to the amount of One Thousand Pounds

II. That Debeutures shall be issued, signed by the Warden, and countersigned by the Treasurer, of the denomination of twenty-five jounds e.ch, bearing legal interest, payable half yearly, to the amount of the said stock, debt or loan of one thousand pounds, made payable to the Treasurer of the said Compaby, and to be redeem the as follows :- £200 on the first day of January in each of the years 1857, 1858, 1859, 1860 and 1861, with interest on the first days of July and January

m each year. III. That for the payment of the said debt or lear and interest thereon, within the time as hereinbelore limited, a spicial rate be I view meach year on the said ancust if rateable property within the aforesaid Counties; amounting in each of the years 1851, 1853. [1854, and 1855, to sixty pounds ; in 1856 / forming in all a most extensive and valuable two bundred and sixty pounds; in 1857 to , we hundred and forty eight pounds, in 1358 In o e immediately adapted for present de- to two hundred and thirty six pound ; in 1859 to two hundred and twenty four pounds; and

in 186) to two hundred and twelve poun is: IV. That for the purposes hereinbefore mentioned, the following annual rate in the 59 pound for the respective years following, shall in the said years he respectively assessed. levird and celert d (in the same manner as (the general rate of said Counties,) upon and out of the said while rateable real and personal property in the said United Counties as aloresant, namely : fireach of the years 1852. 1853, 1854 and 1855, the sum of one onehundred and tenth part of a penny; for the. To ing strongly r presented to the Com- year 1856 the sum of one-twenty-fifth part missioners of Public Works that the of a penny; for the year 1857 the sum of TOWING of VESSE S ravigating the St. one-twenty-s:xth part of a penny; for the Lawrence, between QU B C and KING - year 1858 the sum of one-twenty-seventh TON, is more likely to be ensured in a prompt | part of a penny flor the year 1859 the sum of and satisfactory mann r by leaving it open to one-twenty-ninth part of a penny; and for

y vessels to tow during the ensuing season. | Municipal Corporations Law Amendment Act of 1851, " Section 16.

VI. That it shall be lawful for the Municipal Secretary. | Council of the said United Counties, by By-Law. 53 | to 8 II, transfer and dispose of the said Stock, to Subscribers, as aforesaid, in such manner as they I shall see fit, provided that in no case shall such sale or transfer be made, unless the whole amount of principal money paid im account of such Stock be realized from such sale or transfer. VIL. That all the provisions of " The Upper Canade Municipal Corporations Law Amenda ment Act'm 1751,' so far as the same are applica

table to this By-Law, shall be held to apply of this By-Liw, and be incorporated therewith. NOTICE. THE above is a true copy of a proposed By-Law, A to be taken into consideration by the Munici-Pal Council of the United Counties of Frontense Long and Addington, at their usual place of meetingson TUESDAY; the first day of Jums next, at two o, clock to the afternoon; at which I time and place the members of the said Gouncil are hereby required to attend for the purpose
