DEAR SIR-As we owe a debt of gratitude to those who have been the agents in saving or ourlonging our lives. I hope you will accept my most anquairfied acknowledgments of the benefit which I have personally received from the use of your medicines. In 1849, before starting on the overland route to California. I purchased: a stock of your medicin's, and I have tested their efficiencymate, both with myself and o here, and not unce have I known them to fail in producing the desired Cholera Syrup, as I know it to be the most useful. medicine eyer taken for a majority of the diseases of that climate. In the summer of 1850, when the Cholera was raging in Sacramento, I have no doubt but that I could have sold one thousand bottles at ten dollars each.

Yours Respectfully. B. S BOOTH Da. A P. Strater, Kingston, C. W.
