What they gained by all their trouble we can not tell; for surely the mere consciousness that they had wounded the feelings of their Catholic neighbors and fellow subjects could scarce repay them for all their loss of money, and time, and labor. Be that as may, they certainly placed themselves in very unfavorable contrast with their Catholic fellow countrymen, who displayed a great deal of Chris- | and costs. tian forbearance, if not forgiveness, in remaining at home and taking no notice of their proceed ings. The government are entitled to the best thanks of the lovers of peace and order in this place for the promptitude with which they sent an armed force to repress, in case of need, the dangerous disorders and tumults which such proceedings usually produce, and the extensive in portation of arms and ammunition well known

At Pembroke, too, all went off peaceably. M lokson, late Sheriff, who was placed in cr of the troops intended for that place, baving pro ceeded to the spot, and satisfied himself terriled, with his usual prompt determination countermanded the troops, when at the Chatts, on their way up, but remained himself at Penibroke till the day was over .- Ottawa Citizen.
