PROSP CIUS.

"OUR JOURNAL" A Family Newspaper, and Compendium of Useful Information for the people.

THE first number of this New Week'y will appear on SATURD VY, the 4th of Stream men nexe. It will consist of Eight Pages, De t. Folie, and be printed in clear, hold type, or perior papar. TERMS of Subscription. 88 00 per annue, payable yearly or half-yearly, in ad-

In prop ming to astablish a new weekly journa', the Proprietors have no intention of its entering the lists in opposition to any portion of the existing Canada Piess, us a political or party paper. While they admit the vast importance of a free and independent political press. to review and analyze Lievernment policy, whether of the Town. he Province, or the Empire-to watch over and rotect the rights and inveres sofsociety, of trade and commerce-and powerfu in the arrangemen of international relationships (to which class th Canada press almost exclusively belonge.) ve they recognize no less importance in that class of periodica a which seek to impr ve the mind cultivate refired and elegant tasics, add a charm and a gest to secial and demestic intercou se, extend the sources of useful information and agreeble reflection, aid moral culture, and p esent im portant trust a and principles in such forms as to by an exhibition of their consequences. In a vord, devoted to the advocacy of principles. which, as they have a wider basis, and enter more generally into the affins of every-day life and of qual moment in the affairs of society and of mar. kind. And it is remarkable that the Canadian reader who possesses all the acquisitiveness after general information, which marks the the ughtful character, should be almost entirely dependent pon frieigners for any stare in that order of periodical which occupies so large a space in

It is in accordance with these views that the present Journal has been projected and will be and sted in a firm belie of its requirement, and under a profound conviction of its utility: and no exertion will be spared to render it of general interest in every department of literature and to all classes of readers.

The principal features of "Our Journal" will

Finer. To present in a close and condensed form the abounding exhellencies in every department of intellectual effirt, which contemporary English and American periodica's'contain, and 'o embody hat duly the chargest extracts and most valuable treasures from the great leading journals. and from the general liter ture of past and present times, but also to include the continuous writings of general interest which are daily flowing from the pens of the great literacy magicians of

Second - Each hebe will contain a general holice of the current events of our own country and of foreign states; and especial care will be given to supply early and correct information of events of general interest accuring in any portion of the British Empire, and to keep its friends from 'the "old country" well posted up in the principal Youal events which may transpire in any of the | For Three Kingdoms, us well as occasionally to note the progress, success, or failure of the chief movements on foot there.

Third. - As a family Journ i', it is believed that ! Our Jones at" will excel While everything of sizes an unsound tendency, calculated to give distort | Couplings. ed or false views of life, to asp re false sentiments or to contralize principleso, good morals and right conduct; will be carefully excluded, itsp ges will ever be open to entertaining, instructive, and use ful Stories (selected and original), Bingraphies, inforce the best and must important lessons of morality and practical life.

Fourth .- A considerable space will be devoted to Correspondence, and Promisences Original Contributions from all parts of the World; and the Proprietors invite the co- peration f friends. on every variety of subject. Level Information; Observations on Mon. Manuers, and Thines; Descriptions of Towns, Cities, and Scenery; News from the Habitations of Art, Science, and Munufacture; Instances of Natural Phonomeon; and whatever may maily command interest and Atention, will find a welcome in its pages, whenever

or "Party" to "Our Journal," yet opinions wil be

batton of the Great and Learned, it will strive no of the best quality direct from the place of their less earnestly to penetrate the sympathics of these production, at a cheaper rate than can be af-'ong ged in the various departments of productive forded for by any importing House in the activity. . Our Journal' will expect to take it. Province. place in the in the universal Domestic Circle, in | On application by letter (post paid) lists of the Study, and by the Fireside A place in the the qualities prices, &c., &c., of the different Family Heart - share in the Family Convers - classes of the Wine, will be forwarded, with Kingston, Much 16, 1852 tion - a social phaition, and a sacral welcome, and full particulars as to terms of sole, &c the extent of its ambition; and, white it is confidently believed that the hospitality of itself iends.
