No Management Fee .- Monthly

The necessity of commencing this Society arises from the large premium (of £15) demanded for the shares of the old Society, and the long array of back instalments and fees to be refunded. Members wishing to receive the amount of their | touching at all the Intermediate Ports. shares, in advance by way of loan, in the New Society, will receive the full amount of their shares repaying the same with legal interest, and such Will Leave the above Wharf for Montreal members, as much as possible, upon a perfect equality; and which Bonus, together with the interest, will be payable monthly at the same time Boats the same afternoon.

with the usual monthly instalment. The chief advantages, therefore, of the New So- BOWEN, St. Lawrence Wharf, Kingston, ciety over the old one, are, that borrowers obtain the whole amount of their shares without deduc tion, and at a less average rate of interest, ariseing from the certainty of its earlier termination; FOR TORONTO & HAMILTON. cular quotes 3d. on wheat, and 6d. to 9d. on flour can supply
