Distance."

Mr. Brown, the minority representative of Kent, has at length, very incantiously as it appears to us, let out the secret of his policy and displayed the causes of his violent opposition. That gentleman recently made a prigrimage to his constituents; and while at Chatham delivered a speech which contains

a very singular and remarkable disclosure. The speech in question was reported in the Planet. To guard against any mistake arising out of the possible infidelity of the was rapidly recovering from the shock lately | report, we have abstained from any reference to the matter, till it was seen whether Mr. The funeral of master Pierce, it is under- | Brown would disclaim the speech and destood would take place at Concord to-day .- | mand of the Planet the insertion of a cor-The Legislature of the State adjourned, and rected version. That version of the speech has now been a considerable time before the public, and it has met no disclaimer at the hands of the speaker. We therefore deem ourselves justified in assuming the fidelity of this accepted report; from which we quote

he following passage:

"He was not fully convinced, that the principles which he holds, and has advocated, are The steamship Atlantic s iled for Liverpool | rapidly progressing. Many who have hitherto ten Ing out their mistake, and would vote with him Even the Conservatives are beginning to assyme a spirit of greater liberality, and will soon feel The opening of the Milwaukie and Mis- the necessity of standing aloof from the Lower sis ippi Railroad took place here yesterday. Canadians, and forming with those liberals of There are about 24 of them, the largest not during the past year, it is to be expected rine Flizabeth Lennox, Major in the 4th Batand Rectory questions. Let these be once finaly settled, and the tie between Upper and Lower Canadian liberalism will be served. The Lower Canadian influence, which now rules the administration, will then foose its strong hold in the tlement. Their chief amusement appears which, like those above referred to, may cabinet, and its power, either for good or for to be sailing boats, of which there are im- take their origin at the Kingston Board, to evil, will cease to exist. In order, therefore, to tesist this dominant French influence, changes must be brought about, new combinations entered nto, and an organization effected, whose ne nbers rifice them for office. On the question of Sectaan Schools, he believes the Conservatives are nost unanimous, and are prepared to offer them heir most strenuous opposition."

So Mr. Brown wishes to unite with the Conservatives of Upper Canada, in order to form a progressive party! At length Mr. Brown has shown his hand. We now unty good supply and is selling at, \$2 a 2,124 | Conservatives of Upper Canada, for the purpose of forming a progressive party! And this is the end and aim of Mr. Brown's parseeks to accomplish such objects. Will this lows is an extract of that letter :open the eyes of Reformers who put their
