It is, in my estimation, a most invaluable treasure every leaf sparkles with gems, every page is radiant with beauty and grace! I find nothing in it which may be styled commonplace; nothing which appears to have been juserted merely for the sake of making up a new collection. Every piece, whether of complicated or more simple structure, whether adorned with artistic ornaments or clad in plainer habiliments, is in itself, according to its proper character and design, a fuished specimen of the art. The entire work, indeed, not only hears indubitable testimony to. but is itself a gratifying as it will be an enduring nonument of the extensive reading, mature judgment exquisite skill, classic taste, and untirin industry of its endneat compilers. The great variety of subjects and of styles which it embraces, he beauty and freshness of its melodies, the rich ces and glowing fervor of its harmonies, the legal precision and yet courtly ease of its modulations, the incomparible grace and exquisite nigh, which are so apparent in every part, ough and surely must render it a universal favorite Hundreds of teachers of music have expressed of the publishers the opinion that it is "the hest collection of Church Music ever published in this cuptry." DICKEN'S HOUSEHOLD WORDS AND UNITED STATES WEEKLY REGISTRE NEW ARRANGEMENT. -- The publication of this periodical will hereafter be carried on by the usdersigned, who have become sole proprietors of the work. With the present volume commenced a new series of the work, under the title of "Dicken's Household Words and United States Weekly Register." The original work has atnined such an unprecedented popularity both in England and this country, as to ronder any core. mendation of it in this place superfluous. For variety and richness of information, vivacity of sayle, and genial tone of feeling, it has no rival n English perfodical literature. It may justly be called the greatest intellectual labor-saving machine of the age. One has only to peruse its pleasant pages to become master of an amount of knowledge which it has required no small degree of research and energy to accumulate in this condens d but faminating form. Nor is it le a valuable in point of pecuniary saving. The price of this work for one year will give more mental criterianment and instruction to the family circle than ten times the sum spent for the common run of books.
