[From the Boston Mercantile Journal.] This medicine, coming from a respectable source, and carefully prepared by an experienced and skillful physician, is received by the public with confidence. Its efficacy has been proved in many obstinate cases of disease, and its fame has rapidly extended. It has been extensively used every part of the country, particularly in the Middle and Northern States; and strong testimony from intelligent and highly respecuable persons, has been adduced in favor of its merits as a cemedy for Colds and Coughs, Affections of the Chest, Diseased Liver, &c.
