MEDICATED COMPOUND THE Subscriber has has just received at ST. LAWRENCE CANAL the Tolle as and Healing External Wounds. Bounded by no Igeographical lines, the reputation of Banar's TRYCOPHEROUS pervades the Union. The sales of the article of late years have increased in a ratio that almost exceeds belief. Professor BARRY, lafter a careful examination of his sales' book, find that the number of bottles delivered to order in quantities of from half a gross upward, during the year 1852, was within a trifle of 950,000. Welland and dences of the wonderful properties of the Trico-Lawrence pherous, when the public have furnished such an indorsement as this. The cheapness of the farticle, and the explanations given of its chemi-UP | DOWE. | cal action upon the hair, the scalp and in all cai ses of superficial irritation, first recommended to the attention of the people. This was all that the inventor desired. Every bottle advertized itself. The effects of the fluid exceeded expecta-I tion. It acted like a charm. The ladies would not be without it. Country dealers in every St. Lawrence section of the United States found they must have it; and thus was built up a wholesale trade of an extent hitherto unheard of as regards arti-UP | Down. | cles of this kind.
