"GOLDEN AGE," 3,000 Tons, will be dispatched Australia, about the 15th of June.

THIS Steamship is of the size and strength, and in every way equal to the Collins' line of Steamers, being 3:0 feet in length, 43 feet beam, and 22 feet hold. She is double diagonally braced, with iron bars, and every improvement that experience and science can suggest has been adopted. Her accommodations for First, Second, and Third Class Passengers, are believed to be superior to Welland and any steamer ever built. Her model is unequalled, and it is confidently expegted that she will make the trip from New York to Australia within fifty days-stopping only at the Cape of Good Hope to pp lows. | coal. Passengers may rely that every attention will be paid to their wants, and that the ship wil. be liberally supplied with every comfort. An experienced Surgeon will be attached to the ship.
