"PANKORITE."

Important to Thousands!!

Myers' Extract of Rock Rose: N invaluable Remedy for all Scrofulous 1 Diseases, Indigestion, Salt Rheum, Sick Headache, Canker, Nursing Sore Mouth, and General Debility; and as a Purifier of the Blood, is unequalled.

To be convinced that it is the most valuable. Per schooner Sacah, Medicine of the day, you have only to read | 100 Barrels Fine Salt. the testimony of its efficacy. As a Family Medicine it is invaluable, and one which no person should be without.

The Rock Rose has gained a reputation, at home and abroad, which no other medicine has ever done in the same length of time. According to the opinions of Eminent Physicians, the Rock Rosk Plant is unequalled in curing Scrofula in its various forms! The Sick Headache, in Obstinate Chronic Cases, may here find a Sovereign Remedy. The Canker and Nursing Sore Mouth! in nume-

Tous cases, have been speedily cured. BUT WHAT IS THE ROCK ROSE? The following history of the Rock Rose Plant and its medicinal properties, we take from the New Haven Palladium, March,

ROCK ROSE Plant in consequence of the many on Property against Loss or Damage by Fire, wonderful cures effected by 'Meyers' Com- on as liberal terms as any other first class Ofpound Extract of Rock Rose,' calls for a brief | fice in Canada. universally beneficial.

We are indebted to the United States Disper satory of 1847, for the following descrip-

It is entirely different from the common Rose. It is a red-stemmed, obling leaf plant, having a bitter taste. In addition to a remarkable peculiarity of the plant, of bearing two crops of flowers in one season, it also has another interesting and beautiful prospe ity.

Dr. Eaton says that in the months of November and December, he has seen hundreds of these plants sending out, near their roots, broad, thin, curved ice-crystals, about an inch in breadth, which melted during the day and were renewed in the morning. For a more minute and analytical description of it, the reader is referred to Torrey and Gray's Botanical Works.

its value to the community. Dr. Loudon says that in 1799 it was so valuable in England that it was cultivated from the seeds. cure of Scrofula and cutaneous diseases.'

of Scrofula Diseases. ling of the hip, in February, 1844 :- The lad | grain or the straw. was seven years old, and had the disease for THESE MACHINES may be worked with three or three years. The bone was dislocated upward and outward. There was a large opening on the hip leading to the bone, into which could thrust my finger. I counted three ulcers. He had been under several physicians, who had given him up. I ordered decoction of Rock Rose. In two days his night sweats ceased; I then ordered a teaspoonful of Rock Rose three times a day .--Thirty-nine days after he was entirely well.

Dr. Webb, of Madison, Ct., Testifies to the value of Rock Rose, as evinced in the cure of numerous cases of Scrofula, especially in children. Dr. Sparry, in his medical work published in 1847, quotes the strong commendation of ment in London. Dr Eli Ives, Professor in Yale College, who n his lectures to the medicalstudents, recom-

mended the use of the Rock Rose, even it cases where the disease is uncertain. The value of the Rock Rose has also been l set forth by Dr. Tyler, of New Haven, Ct., in a dissertation avowedly prepared for that purpose, which afterwards, at the request of several of his medical brethren, was publish ed in a pamph'et.

BRITANNIA LIFE ASSURANC COMPANY.

No. 1 Princes treet, Bank, London CAPITAL, OVE MILLION. EMPOWERED BY SPECIAL ACT OF PA" LIAMENT

4 Vic. Cup. 9. THE great success of this Institution in Europe and the numerous Policies, issued by the different Agencies in Canada, evidently show that the advantages of Life Assurance are daily PRINCESSROYAL,-CAPT. KERR, becoming more and mere appreciated by those The rates of the Britangia are the lowest which can be offered consistently, with security to the Assured, and the subscriber begg respectfully invite the attention of the inhabitants of Kingstor to the numerous Tables of Rates, specimens of which may be seen at his office.

The income of the Company, independently? the large subscribed Capital, is between Eight and Ninety Thousand Pounds, Sterling, per An 17 | num, and of this thegreatest part is continual Laccumulating for the payment of losses.

A party effecting an Assurance with this Com-The undersigned begs to inform Car- pany, may do so for a fixed sum, payable at his of her death, withoutparticipating in the profits, and pentres, Builders and others, that having thereby secure an immediate Bonus by not paying MILL more than is absolutely rebuired to provide for LUMBER YARD, he is now pre- the risk-but if participation in profits is preferred by any party, there are ' Merial Tables' adopted by the Company, which offer an annual division trusted to him, at low prices, for Sawing, of the Profits, and which being supported by the Plaining and Dressing Lumber. Attached other Branch of the Institution, hold outs very safe and profitable inducement to the person wish ing to Assute.

All claims payable within THREE MONTHS after a proof of death. No proof of birth is required at the time a claim is made; the age of the Assured being, in every case, admitted in the Policy, cannot, under any circumstances, be afterwards called in question. Policies effected by parties or their own lives are not rendered void in cascof death by duelling or the hands of justice. In the event of suicide, if the Policy be assigned to s bona fide Creditor, the sum assured will be paid without deduction : if the Policy be not assigned the full amount of Premiums received thereon wi be returned to the family of the Assured. The necessary forms, and every requisite infor-

mation, as to the mode of effecting Assurances may be obtained either by letter or personal ab-THOMAS BRIGGS, JUNE. Agent at Kingston June, 1851.
