FRIDAY MORNING, JAN'Y 6, 1854.

Contradiction of the Alliance with Aus-

(From the London Times.)

VIBNA, Monday, Dec 12, 1853. For some time the Austrian papers, in Imitation of the Augsburgh Gazette, gave the public to understand that a Quadruple Alliance had be r concluded between th Four Powers, but the recent diplomatic necotiations are now reduced to their just dimensions, and all parties agree in saying battery at the point of the promontory that nothing more has been effected than that a collective note has been forwarded to Constantinople, in which the Porte is arged to treat directly with the Russian The Sultan is assured that, if he It is further proposed that the representatires of the two Powers shall meet on neutral ground, and that, while the negotiations are pending, there shall be a cessaon what is likely to take place, until we learn what impression the destruction half the Turkish fleet has produced in Constantinople and in the west of Europe; but the news has not been unfavourably re-

Turks.—Although no official confirmation Turks to rebuild the fortifications of Sinope the finest edition of the Roman Catholic noble Science of Masonry, founded upon the of the Declaration of War by Persia against on the principles of modern art, and to put English version of the Bible ever printed. Turkey has been received, the intelligence | that place in security, not only against a is considered quite probable. The English | coup de main, like the present, but also in do not consider it of supreme importance. Persia, they say, although small in mil tary strength has, it is true, the advantage of a might make it a place impregnable against It appears that, for a period of eighteen geographical position that counterbalances power it can cither draw a Turkish force force from Cabul to Herat. But Britain, it erable body of troops, they would keep in had previously sailed were never heard moved, the usual loval and Masonic toasts is believed, could send from India a force check all the centre of Asia Minor, and cut from, 338 put into port in distress, and 102 were drunk with all honors. Several volunup the Persian gulf, and which, disembark. off the communication between Constanti- wrecks were passed. This is, says the teer toasts were also given; among the numsed at Bushive or on the island of Karack, nople and Erzeroum. The Turkish army writer, a total loss for the period of one Charles Napier," which was drunk with due would speedily reduce the Shah to subject of Armenia would have not only to oppose every 22 hours; one stranded every 44 solemnity.
