TORSOF LENNOX AND ADDINGTON. The Provincial Parliament having been dissolved, you will, in a few days, be called upon to exercise the Elective Franchise, and pronounce your verdict upon the several questions now agitating the

It is incumbent upon those, who, by their votes in Parliament, have been the cause of delaying, if not altogether preventing the Treaty of Reciprocity being ratified-the Reduction of the Tariff, and the new Franchise Law being brought into immediate operation, to account to the Electors of Canada for their conduct. Having had the honor of a unanimous

termination to meet you at the Polls. My political principles are well known to you ali, and, should the confidence you repose in me, result in being returned to Par-136 | liament, I shall not fail to advance and support such measures as I deem best calculate to promote the interests and prosperity of Canada. I respond the more readily to the call made upon me, from the fact that you have left me free to act-untrammeled by pledges or platforms,-to support or oppose such measures as I may deem best, without regard to the source from which they emanate; your motto being, like my own, "mea-

I deem it right to inform you that the principles of the Bill for secularizing and disposing of the Clergy Reserves, as prepared by the Ministry to lay before Parliament and the electors of Canada, meet with my entire approbation; and should you elect me, my earnest endeavors shall be to have the same carried into effect as speedily as possible, There are questions of vital importance to the people, to be considered and discussed 148 among which I may mention the Prohibitory Liquor Law, and at meetings to be held in the different Townships in the Counties and
