In the Heroine of Now-A-Days, we have one of the most exquisite portraits of female character that can be found within the whole JOURNEYMAN, & APPREN-1 | and truth to nature, which will be at once recognized by every reader, within whose heart there is a response to purity and goodness. From a home of wealth and confine- ness. ment, on which the dark shadows of misfortune have talien, this become passes with a firm beart and unfaltering devotion to duty, to whom constant employment and good wainto the midst of the primeval forest, where | ges will be given. Apply to the log school house becomes the scene of her daily occupation, and where the log cabin becomes her home. And it is here, in the dense forest of the tall pines, that the genius of characters (hitherto untouched by other | Feet Square Pine Building Timberwriters) and invests them with a charm per- wize from 8 to 12 inches square. fectly irresistable. The rough, hardy, but 189 honest hearted lumbermen, stands buldly out in the pages of Now As Days just as he appears in reality in the forest wielding his axe on the giant trees, floating in the rapids of the perilons stream the giant logs, sitting with his companion in his forest camp, or scribers, Two Hundred Barrels Parkwith his family in his cabin, at the forest conference meeting, in his pleasures and his sorrows-in short, in his every-day life. But it is not alone in these vivid and the like descriptions of the Pine Forests and the dwellers therein, that the genius and talent of the Amhoress are strikingly apparent --In pictures of domestic life among refined, circles, and the pertraiture of characters therein, and of life at fashionable watering places, the authoress of "Now-A-Days" is mention the character of the step-mother of Kingston, on Saturday, the 19th August the heroine of "Now-A Days," and of aunt 1854, at I o'chek, P.
