Kingston, 11th Sept, 1854. For Sale or to Rent. THAT valuable property, the Picton Steam Mill, with Wharf and Storehouse, capable of storing 20,000, bushels of Troy, New York, Boston, Buffalo, Niagara grain. The Mill has 3 ron of stones, with bolts and gearing in perfect order, capable of grinding 30 bushels of wheat per hour .-The boilers and engine are new, and in perfect running order. There is a supply of cord-wood on the premises, sufficient to grind 40 000 bushels of wheat. The property is advantageously situated at the mouth of the Picton Harbor, County of Prince Edward, and one of the finest wheat counties in the Province. There being no water power of any amount in the County for half the
