INCIDENTS OF THE WAR.

INCIDENTS OF THE WAR.

Paris, Nov., 1854.

Before the embarkation of the troops at Varna, it will be remembered a council of body ever dreamed of and a missiorance continued until after three o'clock on Saturday morning. Several amendments were proposed by the opposition but rejected by the opposition but rejected by the House. The principal of these proposed by the House. The House it lost its colonel (Talbot) killed; the Major (Harvey), afterwards co onel, lost his arm; and a long list of killed and wounded, with no results."

Our correspondent adds:—"What a pity nobject to appopriate the necessary sum for the indemnity cut of the Consolidated Revenue the indemnity cut of the country. Knowing the unprecedent the indemnity cut of the country. Knowing the unprecedent the indemnity cut of the indemnity cut of the country. Varna, it will be remembered a council of war was held. The first proposal submitted, was the advance of the lines of the Pruth.
