An Extraordinary and Rapid Cure of Ery sipelas in the Leg, after Medical Aid Copy of a Letter from Mrs. Elizabeth Yeates, of the Post Office, Aldwick Road, near Bognor, Sussex, dated Jan, 12th, 1853.

To PROFESSOR HOLLOWAY, Sir,-I suffered for a considerable period from a severe attack of Erysipelas, which at length settled in my leg, and resisted all medical treatment. My sufferings were very great and I quite despaired of any permamnt amenment, when I was advised to have recourse to your Ointment and Pills, I did so without delay, and am happy to say the result was eminently successful, for they effected a radical cure of my leg, and restored me to the enjoyment of health. I shall ever speak with the utmost confidence of your medicines, and have recommended them to others in this neighbourhood similarly afflicted, who derived equal benefit.
