Diseases of the Liver. When the celebrated Dr. Rush declared that drunkenness was a disease, he enunclated a truth which the experience and ob-

not yet visted any considerable city of Tur- hair equal to any other now in use.

I was told here yesterday that the Cherry Pectoral had been presented to the Sultan, and is now in constant use in his harem, and

in my family and neighborhood. I feel free to say that I look upon it as a very valuable medicine in the diseases for which it is recommended," For sale in Kingston by E. W. Palmer.
