GRAVES OF RICH MEN.

WRITTEN IN SAND

What was I doing to dream so leng-

Could I not waken and understand

But to it happened and thus we met,

I can still remember if you forget.

Of your pleading value in a tep-ler song?

The torich and thritt of a searching hand? "

That night in the past, though faith has flown,

What were you maylog; my beart! my beart!

As me ching together, and dared not part? " It will beat forever whilst life shall last,

That pulse of love from the penceful past.

But so it happened, and thus we stood

In the mount hush of the lonely wood. I shall ever remember whilst life endures

Why am I thinking of life once dear,

As the days close in the feding year?

The moon still quivers, the stars still shine, But the heart is another's that once was mine !

How you left me alone, with this gain of tears.

PASSABLE MANNERS TO LET.

to a friend. "It's deuced funny-to them,"

the friend. The other produced it, and

Young man of passable appearance and man-

CAPITALISTS WHO THINK ABOUT DEATH AND BUY TOMBSTONES.

William H. Vanderbilt's Final Resting Place in the Big Granite Tomb-Showy Plots and Imposing Mausoleums of Men Who Expect to Die Rich. The death and burial of such famous men

How you told me of love, when my heart wafor their interment after death. All the beautiful cemeteries in the vicinity of New York contain evidences of the care with which But no one will know, through the long, dull year some men have arranged for their bodies a resting place after the soul has fled. In this connection, however, Woodlawn seems to have the lead. Although the late Commodore Vanderbilt made no preparation for his grave except to own a modest little lot at A Nice Light Business for Young Men New Dorp, and the newly constructed mauso-Who Haven't Anything Better to Do. leum of William H. Vanderbilt contains "Anything for me?" One of the advertising several catacombs, several members of the clerks in the business office of a big daily family have secured beautiful plots at Woodpaper glanced at the initials on a card which lawn. George Osgood and D. B. Allen, Mrs. the inquirer showed him and passed three Horace F. Clarke and Cornelius Vanderbilt letters across the counter. The person to all have showy plots in this cemetery and whom they were addressed, a blonde young spend mack money in improving them man with a small, well trimmed mustache, Among the mausoleums built here is that of close cropped whiskers just under his ears, the late Frederick Butterfield, erected long and a last year's mustard colored boxcoat, before his death, which cost \$40,000. opened the first letter, grinned, and showed it

OTHER BEAUTIFUL TOMBS. Opposite Cornelius Vanderbilt's plot at Central and Poplar avenues is that of William H. Appleton, joined by that of A. H. Borney, A. little further along is a beautiful mausoleum of Westerly granite, built by Christian Hester. of Hester Brothers. Mr. H. H. Cook, the millionaire, of Seventy-eighth street and Fifth ivenue, paid \$20,000 for a plot some time ago. and is building a mausoleum which will cost \$40,000 more. A large plot on Beach lawn, onspicuous for a large figure of Hope, eight feet high, mounted on a pedestal rising thirty feet high, from a base nine feet square, marks the burial plot of William F Havemeyer. H. M. Flagler, of the Standard Oil company, hasbeautiful tomb built on a hill not far from \$1.50 apiece. Of course I couldn't live on that wherein rests the remains of Marshall O. Roberts, whose sarcophagus marks the same appreciation of art that characterized his life. Collis P. Huntington, president of the Central Pacific railway, and one of the best known of the magnates of Wall street, has

go in the afternoon, show my references, which are good, and make arrangements as to whether they want a carriage or not, for laid some curious plans for his grave. He ininstance, and whether I shall wear evening tends that his remains shall be laid to rest at Woodlawn, in a mausoleum more pretentious dress, in which case I charge \$1 extra. Then and more costly and of greater proportions and no one knows, I think, that I am not than any yet built. The stones that will be wasting my own money in taking my affiused in its construction he proposes shall each be of such enormous weight that no ordinary anced, my mother or any wife, as the case railroad car can carry them. They will be "You'd be surprised, sir, to know how brought as near as possible to the cemetery | terest. by boat, and then rolled on immense rollers over the country roads to the site of the tomb. Pon my word, they hang on my arm-I If it is found necessary to carry these stones don't mean all of them-when we cross the over a bridge, their weight will be such that gutters, and they chatte- I really believe it will be found necessary to strengthen the structure's supports. JAY GOULD'S PROVISION.

am quite certain that that Lancaster woman she ordered me a dress suit, by the way-Mr. Jay Gould has made elaborate provishas formed her idea of a city society man ion for the disposition of his body after death. from my maké up. But you mustn't say any-He has erected on Central avenue in Woodthing about that. It would injure the busihaven cemetery a costly and imposing structure. It occupies the highest elevation of the "You spoke of staying through some pergrounds, and commands a view of the 400 acres given up to tenements of the dead. The ormances and merely taking to and calling Can you make two engagements ground on which the mansoleum stands is 250 feet across, and is circular in form. It cost \$60,000. The mausoleum, the exterior of " 'Places of amusement,' my advertisement which is modeled after one of the most famous buildings that once stood on the Acropolis in Athens-the Parthenon-cost tableaux. Most of these are out an hour be-\$50,000. More than 800 tons of Westerly granite was used in its construction. The fore the theatres close. In Boston, where suilding is 37 feet long and 19 feet wide, and is surrounded by Doric pillars, thirty in numtion, I almost always had two engagements a ber. Five pieces of solid granite compose the roof, each piece being 30 feet long and 6 feet

vide. The door is solid bronze, and cost 1,000. Within the mausoleum are tweive elves or catacombs, divided by an aisle 10 et wide, at the end of which is an ornate lectual without the assertive sort of intellectained glass window, representing the heavtually that grieves and wearies one, is inenly choir. Each of the catacombs is 8 feet clined to be slightly incredulous about the long and 214 feet deep. A heavy slab of polready comprehension which some people proished marble constitutes the face of each, and will doubtless contain the name and so on of the person whose body is deposited within, mbedded in each stone is a heavy bronze handle. The ceiling of the vault is of polished marble. No name will appear on the outside of the mausoleum to show who lies buried within.

Mr. Gould's associate, Washington E. Conor, has secured a beautiful burial plot. A less pretentions but similar mausoleum is that of Henry A. Huribut, the well known ings. banker and insurance broker, which is situated near the receiving tomb on Chapel hill, It has two columns on each side of its massive door, and, like Mr. Gould's vault, is lighted by a stained glass window. It is built entirely of polished white Italian marble. Neer by is the grave of De Long, the Arctic explorer. Besides there are scores of active, go-alread men of business, who, although they seem to be too much engrossed with life and its cares to think muck about death, have made like provision for their place of abode when they shall rest from their labors and await the inevitable hour.-New York Mail and Express.
