A Kiss in the Dark. Some Buffalo girls, at a little party, recently, got up a new order, and wished to initiate the young men into its mysteries. They took possession of the front parlor and closed the folding doors, leaving one of their number on guard. The gentlemen found one youth had disapeared and wondered what had become of him. The lodge being in readinesss for candidates, one of the young men was escorted into the room. a row in a corner of the room, with a chair in front of them. Upon this he was seated and blindfolded, and then told that, one of the girls would kiss him. If he could guess her name he would be privileged to repeat the osculation. Of course, he made a miserable failure; but instead of being allowed to retire he was compelled to occupy a seat on the opposite side of the room. Just imagine his feelings when the next victim was led in and had been prepared for the sacrifice, to see the missing beardless youth rise up, ghost like, from behind the girls, imprint a good, sound smack on the uplifted and expectant lips of the candidate, and then dodge back to his the young men were victimized.
