cieved cablegrams from Germans in Utah territory congratulating them upon their speeches in the reichstag in favor of thearmy bill.

The recount demanded in the interest of G. A. Harris, an aldermanic candidate for St. George's ward, Ottaws, who was declared defeated by Ald. John O'Leary by two votes, commenced this morning.

The traffic returns of the Grand Trunk railway last week were : Passenger train earnings \$87 929; and freight train earnings, \$194,180; total, \$282,109; against \$244,242 for the corresponding period of last year, showing an increase of \$37,867. A large number of unemployed work-

men held a meeting at Norwich to day, and after listening to the speeches of two socialists commenced an attack on the ahops. The police dispersed the mob before they could do any damage further than the breaking of a number of windows. The two socialists were arrested. The congregation worshipping in St.

eer in turning the feed off the boiler last night the wholesale dry goods warehouse of Simpson & Co., corner of Yonge and Melinda streets, Toronto, was found to be flooded this morning, the water being on each floor to the depth of several inches. The damage to the stock is estimated at \$20,000, for which no compensation can be obtained. Some of the ceilings are also badly damaged and are likely to give way The firm have only recently taken possession of the premises

The Milwaukee curiers left Toronto for home this morning. The other curlers from the States are playing friendly games with the Toronto clubs. Several of them would have left this morning, but owing to the snow atorm of last night, and this morning the trains are considerably delayed, traffix being almost suspended on some of the lines. This has been the heaviest fall of snow in Toronto this

FLORIDA HENS.

A Discussion About Chickens That Lay Eggs All the Year Round Two honest farmers met on the pier and greeted each other warmly. One of them carried a carpetbag and the other an oilcloth

gripsack. One was surprised to learn that the other had just returned from a two years' stay in Florida. The other was interested to hear that his old acquaintance was at that moment going aboard the steamer which was to take him to that state. "So you're off for Flurdy at last?" he said. "Yas, I've made up my mind there's money

n Floridah, and I'm goin' to try it," said the ther. "But I ain't goin' into oranges; that's too slow work for me. I'm goin' into eggs. Now, I've hearn tell that hens lays the year 'round in Floridah, 'cept when they're sheddin' their feathers. Maybe you know

sheddin' their feathers. "Well, so I've hearn tell, and they say that eggs is allus thirty cents down there and sometimes four shillin' a dozen. Now, sposen a hen don't lay more'n ten months in the year, and countin' thirty days to the monthten times thirty are 300. Three hundred is Notice of twenty-five dozen. Twenty-five times (sposen they don't average but forty cents a dozen)- In the matter of Thomas John Hempton, of the twenty-five times ten is twenty shillin', and four times twenty shillin' 's \$10. I call \$10 a hen doin' purty tolerable, and then there's the feathers and the hens themselves when you git ready to sell 'em for chickens to the

taverns. Ten or 'leven dollars a hen on, say, 500 hens, is----"A-a-ll shore that's going!" came from the head of the gangplank. "I declar! I came pretty near gettin' left," said the departing farmer, and he scrambled

up the steep incline. Then he turned around

rested his carpetbag on the rail and began;

"Ten or 'leven dollars a hen on-"But you can't quite reckon on them figgers," said his friend on the pier. "Them Flurdy hens do lay all the year, 'ceptin when they're sheddin' their feathers; but down in that warm country the tarnal things-" lated trunk on his back. By the time the man from Florida recov-

ered himself after getting out of the porter's way, the steamer had moved ahead and the men were slacking off the lines. He ran to the next opening and resumed: "As I was sayin', down in that warm ROBERT SHAW. country the peaky things-A big hawser which was still fastened to the moving steamer tripped him up. But he got to his feet and hurried out to the pier

steamer, bending over the rail. "As I sayin', down in that warm country the cussed bene"-making a trumpet of his hands-"shed their feathers 'eleven months in the year!"-New York Sun. A Chicago firm announces in its advertise ment of Christmas wares; "Our dancing slip-
