Bridgeport, Jan. 21.-The noble African lion Kennedy, aged 20 years, and valued at \$5,000, who has delighted chil-Milwankee, Wis., Jan 21 .- A curious dren all over the country as he rode of Middleville, N. Y, had but one small the presence of fifty spectators. ONE large front room, well heated and fur

the former over some cotton mill. The huge beast has been suffering for property belonging to their father's the past year with spinal meningitis, and threatened to get even. The child, Adelia has been a question how to best kill the of the attack made in it upon the inde. Thornton, was in the habit of paying animal without causing an uproar among frequent visits to a neighbor living near the hundreds of caged beasts. Finally it The campaign of the socialist party has by, and when returning from this neigh was decided to use chloroform, and Dr. bor's one evening she was abducted. Robert was appointed executioner George Search was 'made for months, but not W. Johnson, Kennedy's keeper, arranged The socialists, however, are confident of the slightest clew to her disappearance was the preliminaries by securely binding the discovered. Soon after the date on lion's feet to opposite sides of the cage to which the child was stolen a woman prevent him thrashing about or breaking brought a little girl to Mrs Samuel Combs, away. A large wire, basket was lined then living in Michigan, and asked with rubber cloth, and into this was placed her to take care of her, and Mrs. Combs three quarters of a pound of chloroform. consented. Some time after the woman's The cloth was then tied over Kennedy's professed husband came to the house and neck and inhalation began. For about requested Mrs. Combs to permanently two minutes the lion struggled frantically take care of the child, as his wife was to release his head, and then he gradually was the last heard of the couple. The six minutes he was pronounced dead. child grew up as the adopted daughter The skin and skeleton of the beast will be of Mr. and Mrs. Combs and was married. forwarded to Prof. Ward at Rochester to be stuffed and mounted. They will then
