Storms-Small Sales Business has been so dull of late, owing to the stormy weather, that merchants ! have auffered severely. One store keeper days this week, and another, who keeps

to less than four clerks found his sales a market day to amount to 56c. His expenses were \$8. The roads in feel certain that they will be able to reach the city without having to shovel their way here. Last night's thaw will pack the snow and slightly improve the con dition of the roads but merchants do no expect business to get better for a week at the least. What helps to make merce flat is the fact that the ice is unsaf for heavy loads, and the consequence the islanders are not visiting the city with their produce. A good thaw required to make the ice safe, and and a boom in local trade.

The Salvationists.
