The St. James Gazette says the fishery dispute is exciting attention in pavai circles; and that the protection of the Canadian fishing interests will probably be taken over by the colonial authorities and the fleet reinforced for that purpose A special cabigram to the Toronto Man says the Gazette stands alone in the expectation of English interference to the extent indicated on behalf of the domin ion. The general belief in official circles is that the imperial government is moving in the direction of reciprocity.

A Gigamite Strike.

New York, Jan. 27. - Twenty thousand men are now on strike among the coal shovellers, longshoremen, freight handlers and men employed on the river fronts in almost every capacity, and the number is augmented to close on 33,000 by the strikers on the Brooklya and Jersey It is almost impossible for or the coast leave. At the Cunard dock the Gallia could not be discharged because the majority of the pier men struck. The next move will be to get the engineers on the tug boats to leave work. The ferry boats are seriously inconvenienced on account of a lack of coal.
