COUNTY COUNCIL

LANGUAGE ABOUT THE SCOTT ACT.

What Mr. Buffan Said at the Polls-It is Claimed That the Electors of the County do not Want a Magistrate Ap

The warden took the chair at 2 o'clock on Thursday afternoon, and after the minutes were read and confirmed, Messra Calvin, Hogan and Williams were appointed a delegation to wait on the government at Ottawa to ascertain its position regarding the Napanee road. Mr. Hogan and the treasurer were em-

powered to arrange the accounts between the city and county. .. PRINTING AND EDUCATION.

This report recommended the payment of the following accounts: L W. Shannor \$27 90, Hart & Co. \$1 24, T. McAuley \$6 50. The committee resolved that the chairman be authorized to look after printing and stationery required by the county council and officials in such a way as he considered in the best interests the county. The committee recommended that the clerk be authorized to secure all necessary papers for the proper assessment of the county. Adopted.

FINANCE REPORT. This report recommended the payment or the following accounts: T. C. Wilson, \$2; Thomas McAuley, \$87.35; on the John was also presented with an address requisition of the chairman of the high and made a happy reply. school, \$15 be granted. On the communication of the county

Mr. Purdy and cost in the neighborhood of would meet shortly it would be well to a sister ship to the huge propeller Pacific, This morning the city commissioner plenty heavy enough without having to steambarge this will be done away with. to withdraw his motion, but he would not, vessel in every way. saying "Vote it down," also that an energetic magistrate would make more than his salary in fines. Mr. W. Ruttan said Mr. McKim had been appointed without salary, and he pointed out that whether he tried a single case or not \$600 would have to be paid him as salary. medical college have, with their character. The Scott act forces turned out against istic energy, prepared as excellent pro- him, the speaker, at Harrowsmith, but their candidate was left at home and he was elected. He believed that the people in the county did not want a magistrate, and as he said at the polls, "As long as there was a hair on his head between him and heaven he would oppose the appointment of a magistrate." He did not say at the polls that he would oppose the Scott act as long as there was a hair on his head. After further discussion the motion was withdrawn, it being understood that it would be brought up again

The council then adjourned.

FRIDAY MORNING. The warden took the chair at 9:30 o'c'ock. Several by-laws were introduced, among them one to establish a fair on Wolfe island. Mr. Hutton was placed on the committee to meet one of the city council regarding road tolls. Mr. Toland moved that the auditors receive \$40 salary. but Messrs. Rurtan and Cox thought the remuneration should be \$30, the same as last year. Mr. Toland withdrew his motion, and the \$30 remuneration was decided on.

Dr. Brown asked if any provision had of the united workmen entertained the been made for the keeping of country brethren to an oyster supper at the Wind | roads in repair during the winter. He sor hotel, when about forty gentlemen contended that these roads should receive were present. The chair was occupied by as much attention during the winter sea-

sythe, W. H. Godwin, John McIlroy, W. compel companies to keep roads in repair, Dunn, W. Craig and H. A. Colville. Dr. | when the warden said it was the duty of Massie sang a rousing song. A very the origineer to see that the roads were in pleasant evening was brought to a close good order. Mr. Hutton said if farmers built wire fences roads would not be blocked up in winter. Something should be done in the matter.

Dr. Brown moved, seconded by Mr. Varduven, that the engineer be instructed to keep the county roads reasonably passable during the winter season. After some discussion the resolution was without would involve a large expenditure of

C. R. Mortimer's Embrelie. Mr. Mortimer, agent for Wilson Day's dramatic company is in a melancholy mood, he having been deprived of a very friend. A few evenings ago some person took his umbrells out of the opera house at Belleville and left a good one in its place. While the agent is much obliged to the gentleman who left him a good article he prefers securing his own umbrella because he had it for over thirty years, during which period it has shared his trials and tribulations, which were R McFaul's. many indeed. It is said that C. K. claims that the stelen umbrella has covered the heads of Keens, Barry Sullivan, Joe Jefferson, Mrs. Langtry, Mary Anderson, Patti, and other celebrities and strange to say, although venerable is but slightly lob

Baseball Rules in Brief.

The following in brief, and intelligent orm, are the changes in the playing rules of the national baseball association, which were approved of by the executive com mittee in November last:-1st. A base is given on five called balls instead of six; The bataman is allowed four fair balls to strike at instead of three; 3rd, The pitcher cannot take more than one step delivering the ball to the bat; 4th, The pitcher is charged with a base hit every time the bataman is given his base on balle; 5th, The bataman can now take his base on a balk; 6th. The pitcher is now punished for hitting the batsman with a pitched ball, by sending the batsman to his base. This is the most succinct shape in which the changed rules have yet been
