Overcome by Too Much Tail-Help Me

Let This Hog Go. through the medium of a story. When Gen. Grant was appointed lieutenant general the president called him aside to speak to him An urgent whip has been sent out to privately; and after a brief reference to the uesting additional donations to meet trate what he wanted to say by a story which e deficit now amounts to about \$2,000 | words and was contributed by Col. Fred. Grant to Mr. Allen Thorndike Rice's "Reminiscences of Abraham Lincoln, by Distinguished Men of His Time." The president said: "At one time there was a great war among the animals, and one side had great difficulty in getting a commander who had sufficient confidence in himself. Finally they found a monkey, of the name of Jocko, wh said he thought he could command their army if his tail could be made a little longer. So they got more tail and spliced it on to hi caudal appendage... He looked at it admiringly, and then thought he ought to have a little more still. This was added, and again Jocko's tail around the room, filling all the

> continued his call for more, and they kept on winding the additional tail about him until finally its own weight broke him down." Gen. Grant saw the point, and, rising from his chair, replied: "Mr. President, I will not call for more assistance unless I find it impossible to do with the forces I already have.' vent to his deepest feelings. Mr. Rice gives an anecdote related by Ex-Governor Curtin, war governor of Pennsylvania, which contains a striking instance of this kind. Governor Curtin had returned from the battle of Fredericksburg, and described it to the president as rather a butchery than a fight. The account of the horrors he had witnessed threw the president into a state of nervous excite ment, and Gov. Curtin, in taking his leave of the sorrowful executive, said: "I trust ma
