Some Common Sense. [To the Editor of THE DAILY NEWS.] Sir,-It is sincerely to be hoped that on election day not only every workingman but every owner of property who has a vote will record them for the Right Hon. favor, if customers would report at once Sir John A. Macdonald, because if the conservative party is defeated a reign of universal dep ession will be inaugurated by the free trade policy of the high priests of gritism. It must be perfectly clear to any person of ordinary judgment that, if the government does not have a tariff sufficient to prevent the Americans from sending such kinds of goods into Canada as are manufactured in it, our manube sacrificed at prices that will pay you facturers will be obliged to close up their

When the houses that are built are without tenants it is evident that no more new buildings will be undertaken and of course all tradesmen, carpenters, masons, plumbers, painters, hod carriers ect., who now derive a living from this source, will be thrown idle and soup kitchens will be the only business It is strange that the G.T.R. company which will be profitable. The Opinion of All Who have tried Polson's Nerviline, the great pain remedy, is that it is never failing in pain of every description Neuralgia, toothache, cramps, pain in the stomach, and kindred complaints are banished as if by magic. Rapid and certain in operation, pleasant to take, Nerviline stands at the very front rank of remedies of this class. A trial bottle may be purchased for 10 cents, a very small amount in any case; but the best expenditure you can make, if a sufferer from any kind of pain, is a 10 or 25 cent bottle of Nerviline at druggists and conn-
