OPENING A CHEESE FACTORY

The Farmers of Wolfs Island Meet and Elect Officers, Mr. T. P. Grass, of the township of Kingston, having rented the old cheese factory formerly occupied by Truman

Bennett, held a meeting in the town hall Marysville, yesterday, for the purpose of discussing business and electing officers to conduct the cheese business this sea The meeting was well represented by some of the most influential farmers in the township who were favorably im pressed with the proposals advanced by Mr. Grass. The meeting was called order by Mr. Archibald Staley who officiated as chairman. After making some appropriate remarks, the chairman introduced Mr Grass, who, in a neat address, explained to the meeting his object, and the advantages derived from the manufacture of cheese. R. J Spoor was appointed secretary for the meeting and the following arrangements were made: Mr. Grass agees to make the milk de livered to the factory into cheese for 14c. per pound, including all material ready for market; those who have their milk drawn are to be charged 21c per pound. He furthur agrees to make a No. 1 ship ping article and to keep the factory books and patrons' adcounts gratis Each patron is to draw a load of cheese from the factory to market in turn as called upon, the freight expense to be charged to the patrons. The factory is to be known hereafter as "Maple Grove, Wolfe island,"
