## "GENTLE SPRING."

Again the vernal equinox is drawing near a focus, And the hawking and the bazaar will trade And the crocus and the locust will begin their leaves-pouts. And the gentle goddess Venus will be lying round Soon again the prurient poets, both facetious and factitious. And again by her enchantment every dude will be delighted; Sooth she need not, so bitter, will give girls a show To twitters. And the lambs will take occasion, as girls often do, to skip and romp. And the young matron fellows, in their sleeves, will stilly stirr. And again by her enchantment every dude will be delighted; Sooth she need not, so bitter, will give girls a show To twitters.
