Amazing Success... It is the duty of every person who has used Roche's German Syrup to let its wonderful qualities be known to their friends in curing Consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. Three doses will relieve any case, and we consider it the duty of all Druggists to recommend it to the poor dying consumptive, at least to try one bottle, as 80,000 done bottles were sold last year, and no one case where it failed was reported. Such a medicine as the German Syrup cannot be too widely known. Ask your druggist about it. Sample bottles to try sold at 10 cents. Regular size, 75 cents. Sold by Druggists and Dealers, in the United States and Canada.
