The Irishman has proved himself to be a most welcome settler wherever in Canada he has taken up his abode. He has shown himself industrious, persevering, patient under the hardships incidental to a new country, and economical even to excess, so much so that frequently we have seen him grow prematurely aged and toil worn, denying himself the ordinary necessities of civilized life in his anxiety to hew out a comfortable home for his children. It will be particularly annoying to tourists to whom all customs examinations are odious, and the more tedious and perplexing the more ir rita ing they will be. The passenger agents of the railway lines believe that if skin diseases, suforced the regulation will deter tourists from coming to Canada, and thus a large source of revenue, both to the railways and to our citizens, will be lost. For coughs, colds, bronchitis, and all uug and throat troubles, there is no pre paration of medicine can compare with Bickie's Anti Consumptive Syrop. It never fails to afford prompt and permanent relief It remo es ali soreness, and heals the diseased parts. It immediately soothes the most troublesome cough, and by promoting expectoration, removes the mucus which stops up the air tubes which causes difficulty in breathing, thereby gives relief to that depressing thightness experi-enced in the chest. Public speakers and singers will find Bickle's Anti-Consumptive Syrup of inestimable value, and as it speedily and effectually allays all irritabronchial tubes, and gives power to the vocal chords rendering the voice clear and sonorous. If parents wish to save the lives of their children, and themselves from much anxiety, trouble and expense, let them procure a bottle of Bickle' anti-Consumptive Syrup, and whenever a child has taken cold, has a cough or hos reeness give the syrup according to directions.
