AUTHOR OF KING SOLOMON'S MINES, ETC.

CHAPTER XXVII.

SILAS IS CONVICTED.

At first Bessie was utterly prostrated by the blow that had fallen on her, but as time went on she recovered a little, for her was a strong and resilient nature...

"This powder never varies. A marvel of purity, strength and wholesomeness. Can be used in competition with any other powder, but is superior to all of them."

GENERAL AND SPORTING NEWS.

The Irish question: "Are ye there, Morarty?" The questioner had just opened it in a great time of day...

"My young friend," he said solemnly, "do you ever attend a place of worship?" "Yes, regularly every Sunday night," replied the youth.

The Toronto Globe has a very learned, eloquent and instructive article on "the finding of Pharaoh's tomb."

Arizona is proud of its new volcano which it is claimed was created by the recent earthquake out there.

Mr. R. A. Harrison, chemist and druggist, Danville, Ont., writes: "I can with confidence recommend Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure for Dyspepsia, Impure Blood, Constipation—such cases having come under my personal observation."

It is manifest from their respective utterances, that when Rev. Dr. Wild and Mr. William O'Brien claim extremes...

The Montreal Post is more candid than most of its fellow laborers in the same vineyard. It predicts the consummation of the Darwin survival of the fittest may be reckoned upon.

Mr. W. Maguire, merchant, at Franklin, writes: "I was afflicted with pain in my shoulder for eight years—almost helpless at times—had tried many remedies, but with no relief, until I used Dr. Thomas' Electric Oil, which in what you call the pain let me entirely, and I have had no pain since."

The story of the capture in Georgia of a rattlesnake seven feet long and wearing twenty-one rattles and a button, opens the serpent's story promisingly.

The best way to repair strength and increase the bodily substance is to increase the stomach and improve the circulation with Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure.

Mr. Henry Harding, of Toronto writes: "My little daughter, 7 years of age, has been a terrible sufferer this winter from rheumatism, being for weeks confined to her bed, and with limbs drawn up, which she could not straighten, and suffering great pain in every joint of her arms and shoulders."

One of the bombs designed for the abolition of the czar was constructed to look precisely like a book, the same with intent to deceive. The wicked nihilists are plagiarists as well as assassins.

Mr. Little daughter, 7 years of age, has been a terrible sufferer this winter from rheumatism, being for weeks confined to her bed, and with limbs drawn up, which she could not straighten, and suffering great pain in every joint of her arms and shoulders.
