AYER'S Hair Vigor has given me nearly bald for six years, during which time I used many hair preparations, but without success. Indeed, what little hair I had, was grewing thinner, until I tried Ayer's Hair Vigor. I used two bottles of the Vig. T, and my head is now well covered with a new growth of hair. — Judson B. Chapel, Peabody, Mass.

HAIR that has become weak, gray, and faded, may have new life and color restored to it by the use of Ayer's Hair Vigor. **My hair was thin, faded, and dry, and fell out in large quantities. Ayer's Hair Vigor stopped the falling, and restored my hair to its original color. As a dressing for the hair, this preparation has no equal.—Mary N. Hammond, Stillwater, Minn.

VIGOR, youth, and beauty, in the be preserved for an indefinite period by the use of Ayer's Hair Vigor. **A disease of the scale caused my hair to become harsh and dry, and to fall out freely. Nothing I tried seemed to do any good until I commenced using Ayer's Hair Vigor. Three bottles of this preparation restored my hair, to a healthy condition, and it is now soft and pliant. My scalp is cured, and it is also free from dandruff. — Mrs. E. R. Poss, Milwaukee, Wio.

MR. O'BRIEN'S VISIT.

Mr. William O Brien's much heralded visit to Kingston took place yesterday and turned out a failure in every acceptation of the term. His reception was remarkably tame, his meeting small, and his success a chimers. Since his landing in Canada, whenever referring to Kingston, he always gave strong expression to anticipations of trouble; which expressions were seemingly calculated to awaken the bitter feelings of those who were wanting in sympathy with the agitator, and thereby to cause that disturbance in and deliberately attempted to mob Mr. O'Brien, and did give him a chance to show his fleetnes of foot; while a few breaking windows. No denunciation can be too strong for those who thus criminally broke the law, and it is a pity that they cannot be arrested and punished. The action of a number of volunteers who paraded the streets after drill, cheering for the queen and Lord Lansdowne, hooting Mr. O'Brien, and singing God save the Queen, while it was perhaps unnecessary and foolish, was a not unreason. relying upon such examples. able expression of their loyalty to constitut.

His meeting was small and unsatisfactory, and the only success he achieved was after it was over when a crowd of hoodlums played into his hands by allowing him ones more to pose as a disturber. Mr. Behan who presided at the meeting gave his hearers some good advice, and great credit is due to them for the peaceable way they conducted themselves during the trouble. One thing is evident, and that is that the great mass of the people of Kingston are not in sympathy with O'Brien or his mission, and now that' visit may have stirred up will quickly digood sense, and a proof of that harmony
