#### A Common Cold

and Longs. Therefore, the importance of early and effective treatment cannot be overestimated: Ayer's Cherry Pectoral may always be relied upon for the speedy cure of a Cold or Cough.

Last January I was attacked with a severe Cold, which, by neglect and frequent exposures, became worse, finally on my lungs. A terrible cough soon followed, accompanied by pains in the chest, from which I suffered intensely. After trying various remedies, without obtaining relief, I commenced taking Ayer's Cherry Pectoral, and was

Speedily Cured.

am satisfied that this remedy saved my life. - Juo. Webster, Pawtucket, R. 1. I contracted a severe cold, which suddenly developed into Pneumonia, presenting dangerous and obstinute symptoms, My physician at once ordered the use of Ayer's Cherry Pectoral. His instruction were followed, and the result was a rapid and permanent curv. - H. E. Simpson Rogers Prairie, Texas.

Two years ago I suffered from a severe Cold which settled on my Lungs. I consulted various physicians, and took the medicines they prescribed, but received only temporary relief. A friend induced me to try Ayer's Cherry Pectoral. After taking two bottles of this medicine I was eured. Since then I have given the Pec-toral to my children, and consider it

The Best Remedy for Colds, Coughs, and all Throat and Lung diseases, ever used in my family;

Robert Vanderpool, Meadville, Pa. Some time ago I took a slight Cont. which, being neglected, grew worse, and settled on my lungs. I had a hacking knew me best considered my life to be in great danger. I continued to suffer until I commenced using Ayer's Cherry Pectoral. Less than one bottle of this valuable medicine cured me, and I feel that I owe the preservation of my life to its curative powers.—Mrs. Ann Lockwood, Akron, New York. Ayer's Cherry Pectoral is considered. here, the one great remedy for all diseases of the throat and lungs, and is more

in demand than any other medicine of its class. - J. F. Roberts, Magnolia, Ark. Ayer's Cherry Pectoral, Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Beld by Druggists. Price \$1; six bottles, \$5

AN AMERICAN VIEW.

Soon after the commercial unton agitation was started in Canada, it was made evident to those who were promoting the scheme that before they could hope to begin to make it popular it would be ab solutely necessary to assure the people of this country that there was in it no possibility of annexation. From that time trying to explain what it was that caused forward Mr. Wiman and his friends took especial pains to impress upon the people two points: First, that commercial union would cure the ills from which the people reputation of the American navy too well of this country are alleged to be suffering, and thus allay that discontent which might to think of going to sea in her. otherwise develop into annexationist sentiment; and second, that there was on the part of the people of the United States indifference as regards Canada

est desire for the annexation of this Do Preston, Woodstock and Toronto manufacturers would be swamped by the large The answer to these cunningly worded American firms. The present tariff is 35 statements is found in a number of journals published in the United States. The Chicago Tribune has of late been paying to keep news from the reporters that he special attention to Canadian affairs, and has no time to find out anything on his

and upon the part of the leading men and

politicians of that country not the slight

in a recent issue said of Canadians Let us make their tariff and we'll soon make their politics. Which is only another way of say

Summing up its editorial comment upon

the interviews referred to the News says

an intelligent Canadian opens his mouth

on the subject. It means annexation-

or since that word may have a disagree-

able sound, North American Union.

They concede that fact at once. And, in-

deed, it is impossible for an intelligent

mind to imagine the possibility of pre-

venting political union, once commercial

custom houses abolished, and with a

mutual arrangement for the equitable

peoples would be practically one, and the

ments would become at once so obviously

absurd that few years would pass before

one of them was abolished, and it wouldn't

make a particle of difference which, so long

as the remaining one had no connection

The assumption of indifference as to

which federal government would be

aboltshed is positively amusing. Our

American contemporary would just as soon

see the federal business of the United

States transacted at Ottawa as at Wash-

ington. Of course. Anywhere, so long as

there was no connection with Great Bri-

tain. Well, there are a few Canadiana

left who value the connection of this

country with Great Britain so highly that

in order to preserve it they will even

forego the inestimable blessing of being

annexed to the great republic. Apart

altogether from a feeling of loyalty to the

mother country, they know that their trade

with Great Britain is a large and profit-

able one, and of a character which

benefits and will in the future continue to

benefit them to a much greater extent

than they could possibly hope for from

trade with the United States, Canadians

are ready to negotiate for reciprocity.

They have no desire for commercial

union as our Detroit contemporary sees it.

Goldwin Smith favors commercial union;

he goes farther—he openly favors annexa-

tion. Goldwin Smith evidently does not

now control the utterances of the Toronto

Week as he used to do, or the Week would not have said, in its last issue: " Now

at the present moment there is not even

a minority in Canada desirous of union

with the States. Our history is different;

freely, according to our own national

tendencies, instead of being absorbed

provincialism, are in the right, whether
