I crossed over to where the man was plowing an after the usual salutations, the following dialogue took place: I am here looking Pelee Island vineyards-Sweet catawba, over Manitoba with a view of studying good enough to give me the result of your The gypsies encamped on the fort hill experience here as a farmer? Most cer years ago. On arriving here I had just a yoke of oxen and plow and went The first year I grew forty bushels Remember the Queen street Methodist of wheat to the acre and had forty acres church ladies' aid society excursion by sowed. I changed work with neighbours Thursday, boat leaves at 1:30 sharp. Tic- sixty acres, third year eighty acres, besides potatoes, turnips and other crops There no doubt about it, gentlemen | Well, now I dwn 320 acres of as good and I don't owe any man a cent. I am reached Deloraine This is the west end of the track of the Manitoba and Southwestern railroad, and is a nice village.

Eighty thousand bushels of wheat were try Curtis' cheery tooth paste, only at the I met several of my old Leeds friends, George Morton, late of Kingston, Shep fellows, all farmers, all living within a radius Corporation laborers are making a vast of fifteen miles of Bosvaine. I visited all improvement in the appearance of the their farms, saw their crops, stock, implesolid, substantial agricultural wealth did and, one half of which is in wheat, and I never saw finer wheat grown out of Sarsaparilla, against the diseases peculiar ments, good teams, and, as a rule, don' to hot weather. This medicine induces a owe a dollar. I might say that Samuel healthy action of the stomach, liver, and Heaslip, formerly of Escott, has two kidneys, causing them to prevent the thousand acres of splendid land, ten I visit is happy and contented as far as soil, climate and crops are concerned. Live stock of all kinds do splendidly here, the very picture of health. Fortunately for the multitudinous lov- | Seventy miles east I reach Killarney
