fails to perform its functions properly, use

Ayer's Pilis. They are invaluable. For some years I was a victim to Liver Complaint, in consequence of which I suffered from General Debility and Indigestion. A few boxes of Ayer's l'ille restored me to perfect health. W. T. Brightney, Henderson, W. Va. For years I have relied more upon Ayer's Pills than anything else, to.

Regulate

my bowels. These Pills are mild in action. and do their work thoroughly. I have used them with good effect, in cases of Kheumatism, Kidney Trouble, and Dyspepsia. - G. F. Miller, Attleborough, Mass. Ayer's Pills cured me of Stomach and Liver troubles, from which I had suffered for years. I consider them the best path made, and would not be without them.

Morris Gates, Downsville, N. Y. > I was attacked with Billous Fever which was followed by Jaundice, and was so dangerously iil that my friends despaired of my recovery. I commenced taking Ayer's Pills, and soon regained my customary strength and vigor, - J. hn C. Pattison, Lowell, Nebraska.

Last spring I suffered greatly from a troublesome humor on my side. In spite of every effort to cure this eruption, it increased until the flesh became entirely raw. I was troubled, at the same time, with Indigestion, and distressing pains in

The Bowels. By the advice of a friend I began taking Ayer's Pills. In a short time I was free from pain, my food digested properly, the sores on my body commenced healing, and, in less than one month, I was cured. — Samuel D. White, Atlanta, Ga.

I have long used Ayer's Pills, in my family, and believe them to be the best pills made. - S. C. Darden, Darden, Miss. My wife and little girl were taken with Dysentery a few days ago, and I at once began giving them small doses of Ayer's Pills, thinking I would call a dector if the disease became any worse. In a short time the bloody discharges stopped, all pain went away, and health was restored - Theodore Esling, Richmond, Va.

THE AMERICAN TARIFF.

There is evidence that there will be an

other hot fight over teriff issues during the next presidential campaign. The politicians on each side are anxiously that the only way to secure the passage watching the declarations of conventions, and the utterances of leading jourgalists and party men to discover what is their attitude toward protection. It is ev dent that although the Americans have a continually increasing surplus that they do not apparently know what to do with, the Republicans and their protectionist encies. friends in the Democratic party will make a hard fight against any attempt to tinker with the tariff so as to make it less protective of American industries, even though the attempt be made on the plea that the tariff changes are neceseary in order to prevent the further undue accumulation of surplus fishermen who should be made to confunds. The Globe has earnestly insisted that the American tariff must soon come down. It makes this point in order to persuade the people that in adopting a sive bomb lance abolished. common tariff under commercial union we shall not abandon a comparatively low

DLUE FISHERMEN.

I went down to Payshore the other day to mitiate my friend Richard Weightman into the love and sorrows of bluefishing, as practleed in the firest South bay.

He was designed when he saw my tackle-

is egut conce Leonard, my froliesome rad,

ing the fuss the American fishermen and my lenders, tim as sundrawn gossamer, and government are making about it one my dainty hooks on steel wire. He said it would think they, too, are of opinion was all very fine to talk about "playing a fish. Give him a two pound hickory pôle with three yards of shars line and a four inch book, and the fish that laid hold would ome in promptly, without any fooling, and I there was any playing that fish to be done came before the court, his counsel at once it would come off at supper time with a knife admitted charges of bribery and corrup- and fack and plenty of butter. When went fishing it was for ment, and if any tion. There was a counter case against sorgle eyed thief in the deep blue sea st Mr. Kinney, the conservative candidate, and the judgement was to this effect; 'That the opening of the trial formally stated by his counsel that for want of evidence

cars, and that his father, who was his the mate, and been a mariner for forty-fiv which represented eighty seven years of experionce, and we could get the benefit of all this for one \$5 ball and hunch. Then b howed us his craft, which had two sofas, distail, campostools, a refrigerator, a rac talkeses, polar chas and other tackle, an of her many was Annabelle and that she s a catteat. Dick booked her all over an aid that he supposed she was all right and copely furnished-but where was the est And then Capt. Ketcham looked confused and said that few of his passengers knew a cres in that about unutical matters, but that have thought it necessary he could ru low a to the Aravil that evening and borra Maltese or two to use in case we wanted light equall, and so we closed the bargain me The Americans are making considerable for energy provided.

Voembarked and shool promity down to the tis, the slapper, the first mate and -1 promily down-but Dack curbet up of of a in the cable and said by thought but otherscenery by to hour a night man, then to light hearted blue bottles and nex n this got aboutd and went in to help renjoy it, and for the next Lour he talked me in his sic-p and then arose and declared

We reached the fishing ground at 11 o'clock v the simple but-beautiful process of float er thither stern foremost with the tide. The skipper dropped anchor, and his gray baired re grabbed a dozen menhaden, inserted them in a variety of coffee mill, and ground out a appeared which looked like dried apple stew and smelled as loud as a breech loading can no.: He called this "chum." He cast several horrors are not lessened by the thought | spoonfuls of it over toard, and said that the ur thin would eagerly follow it up and swarn that there were present fiends in human bout the boat for great numbers begging to nore. I at once lost the last vestige of resocial had for bluefish, and rigged up in tackle. Meanwhile Dick had captured mos of the flies, and was deep in "Vivian's Ib venge; or, The Adventures of a Red Heades Girl on a White Horse," and said he was rea London, England, thinks John Bright's glad we had brought these menhaden along he had acquired brain fever by sitting or he hot sofa, knew he was going to the rorgue, and wanted to get used to feeling

Weil, after the skipper's venerable father had perfumed the bay pretty thoroughly with the chum, he inserted my book into a fat of practical politics. Mr. Laurier scems | lump of it and I lowered away. Usually, when fishing, I select some profound theological subject and have an hour or so to digest if before I get a nibble, but on this occasion my reverie was instantly broken by a vicious soutch at my line, a yell from my reel and nway with my tackle. Now, a Leonard rod is worth \$30 and a bluefish about four cents, and the feelings with which I saw him getthis rapidly out to sea were fast becoming rapeid, when he suddenly changed his mind. leaned a yard into the air, struck his tail neross the lender, failed to part it because I to get rid of them. That is to take Bosraced to windward and then to leeward, will sell you at 75 cents a bottle. Even threw another somersualt, got under the boat, if everything the has failed, you may sounded again, took, another header into the air, and finally, after ten minutes of bewildeving deviltry, he suited alongside and alswed me to land him with the net. I was proud and happy. I called to Dick, but he ground and refused to look up. I told him

swallowed half a pound of soft menhaden and getting a hook tangled up with his back toeth. Meantime the bluefish was going through the measures of a war dance on deck, and after a long struggle I succeeded in getting him calmed down, and then I plunged two fingers down his throat to extract the barb, I took what was left of my flugers out again, time made a few remarks. The skipper then snee had taught him that the longer a man he discomfort of the hook, which was to club him over the head and then gouge the thing By 1 o'clock we had eighty-three blueish

and some of those eaught in the morning gro pretty ripe. Dick had stopped claim ning, die wind was freshoning up, and so the alpher took a domble reef in the binnaand we came hours. New York World.

Another Line of C.P.R. Steamers. From The Victoria, It C., Standard. We learn that the Canadian Pacific Railway and the C.P.N. Company are Vancouver to northern coast points, especially with a view to meet the requirements of the constantly increasing stream of tourists comin from the East. It is proposed to put first-class steamers that will make round trip in a few days. The objective poin of the new line has not been determined, but i is very probable it will be some port in Alaska, Taken in connection with the report published the other day that the Canadian Pacific Rat way had purchased steamers for a line to San Diego, it indicates the determination of perporation to draw trade to its line from the

A BASHFUL EDITOR.

Carleton and Weightman Try It in Great | He Protests Against G'ris Selling Men's Enderelathing. Editor Dalziel's Truth.

> In the name of bashful masculinity I want to protest against the employment of women in stores devoted to the sale of what are known in the trade as "gents" fürnishing goods " A few,days ago I had occasion to buy soms affirmer undergarments, and searched through a big dry goods establishment on Twenty third street until I found the proper counter, and to my dismay discovered, instead of a clerk of my own sex, a rather pretty girl handling the goods with a very businesslike air. I mustered up courage enough to ask stammeringly for some undershirts. She produced the articles, and, with a cold perspiration all over me, I requested : " I want the-ah, that is, I want the rest of the suit." She surveyed me boldly and coldly, and drawled out in foud and distinct tones :

Materials, Kid Gloves. A special sale of Kid Gloves now going on. See our wind w "You want a pair of drawers ?" The room was pretty well crowded, and a general laugh went up at my expense, particularly from the girl clerks. I grabbid my purchase as soon as possible, and went cut with a flaming face. I believe that other bashful men besides myself are kept away from such counters by the acx of their attendants.

Konkord on the Kaw.

While the rest of the country is struggling with intense heat the philosophers of Concord are sitting quietly in the shade, calmly discussing matters of contemporaneous buman interest. "Aristotle," says one of these sages of the east, "saw the distinction between the actual complete and the actual eternally completing. The sense world as it actually exists is finite, but it has virtually an infinite potentiality by reason of the infinity of thought. If infinity is considered as objective and not subjective, we fall back on a contradiction." Aristotle had 'em there.-Kansas City Times,
